continue exiting out of the building. Once Melissa and Stephanie exited from the school, Stephanie tells Melissa that her leg is going numb and she believes that she has been shot. Melissa describes dragging Stephanie across Pierce Street, over near Leawood Park, at which time the two were contacted by a teacher from the school by the name of Mr. Havens. Mr. Havens tells the two that they need to leave the area, at which time, Melissa tells the teacher that she believes Stephanie has been shot. At this point, Stephanie takes off her shoe and her sock. They then confirmed that Stephanie had been shot in the leg.

After medical arrives on scene, Stephanie is placed in an ambulance where she is taken to a hospital. Melissa remains at Leawood Park, she continues to hear gunfire coming from the school. Melissa explains that a group of students had gathered at Leawood Park is told to leave that location due to the fact that they believe the gunmen are firing at the students Melissa runs to a home just east of Leawood Park, at which time she ends up locating Stephanie Munson's younger sister, Jennifer Munson, where she tells her what happened to her sister.

Melissa was asked if she could identify the male individual that she saw in the high school standing near the gymnasium. She told me initially she couldn't put a name to the face, but after news media accounts and seeing Dylan Klebold's photo, that was the party she saw at the high school. I asked her if she saw the party carrying any type of a firearm. She told me that she did not see a firearm, but she did hear gunshots. Melissa explained that after she saw the individual down near the gymnasium, she never looked back toward him and couldn't provide any additional information on his description or any possible description of any weapons. Melissa also explained that after she had gotten over to Leawood Park and Stephanie had been removed from the scene by medical, she observed blood on her left arm and she believes that as she and Stephanie were running out of the school, that the glass that was shattering around them, near the main exit, she was possibly hit by a flying piece of glass. She stated there was no medical attention required. Melissa was asked if she knew either Eric Harris or Dylan Klebold. She told me that she knew Eric Harris because her brother was a friend of his and that's how she knew him. She told me that she never met Dylan Klebold, she only recognized him as a student, but didn't know his name. I asked Melissa if she had any additional information to pass on reference this incident. She explained that on 04-16-99, between the hours of 8:20 and 9:10 a.m., she was in the Tech Lab working on a computer project and she saw Eric Harris in the lab that day. She described Eric as wearing a baseball cap and it had a logo on the front of it with the initials "KMFD." I asked her if she had any idea what those initials stood for. She told me that was a German rock band. Melissa told me that jokingly she made the comment to Eric in reference to his cap "What

radio station is that?" She told me that Eric took offense to that. He must have thought she was making fun of him and he commented, "You just wait and see." I asked Melissa if she questioned Eric any further about his comment or why this offended him. She stated she just left him alone because he appeared to be upset with her. I asked Melissa why Eric was in the Tech Lab on 04-16-99. She told me that Eric has some type of a video class, which is taught by Mr. Talocco and apparently he was in the Tech Lab working on a video project, when he offered to help her with her project. Melissa was asked if Eric made any reference to anything that was going to occur on 04-20-99. Again, she told me that she never questioned him any further. He never made any reference to the 20th and again she felt that she had upset him. Melissa was asked if there were any rumors at school in reference to anything that was going to occur on 04-20-99. She told me that she didn't hear any rumors prior to the incident and she recalls that one of her friends, Lindsey Buffy had commented to her that she heard the daily announcements during second hour. Apparently Lindsey told her that the announcements refer to 04-20-99 as Hitler's birthday I asked her if she actually read the announcements or heard them. She stated that she did not and again this is something that her friend Lindsey told her about.

At the completion of this interview, Melissa was told if she had any additional information to contact me.

Summary of Statement (cont.) and starting his shoots and went back into the school. I went to Jefferson Apartments and called my mom.

For what the gunman looked like, I saw him very briefly. He was wearing a trenchcoat with a black cap. He backed away from where I saw him and he saw me. He backed away and all I could see was his arm. I then ran away. I saw 1 person go down right in front of the school in between the 2 doors. The gunman was very tall and skinny.

The gun sounded like popping the bullets were shot rapidly one after another, sounded like a automatic or semi-automatic.

When I came to school nothing seemed wrong. But I did not see any of the trenchcoat gang that morning I usually see 1 near the drinking fountain in the morning.

I have read the foregoing statement and the facts contained therein are true to the best of my knowledge and belief. I do not maintain that it contains all of the facts or details of the incident, but only those facts about which I have been asked.

Lauren S. Waterbury, dob 12-5-83
7980 S. Kendall Ct.
Littleton, CO 80123 PH. 303-933-3950

This investigator met with Lauren and her mother, Ginger at their home.

Lauren began by saying she was leaving ceramics class about 11:15 A.M. and heading for science when she stopped at the pay phones outside the restrooms near the front office area of the school.

Lauren stated she was talking to her mother on the phone when she saw kids running and then heard what she thought was "firecrackers". At this time she saw dents happening in the front doors of the school on the inside. Lauren then saw a sleeve and part of a face firing a gun. She dropped the phone and ran into the bathroom to hide. Lauren stated she waited until the sounds started back from where they came and were distant. At this time she returned to the phone and told her mom to come and get her. Lauren then ran down the hallway near the counselors rooms and out the door by the gym. Lauren and her friend, Brandi Helling (PH. 303-948-8823) called their mothers.

JC-001-006006

Lauren was asked about the suspect firing the gun and she stated

she only saw him from the side, but he was tall, 5'8", white, wearing a black trench coat and holding the gun in his right hand.

Lauren stated she thinks it was a handgun because he held it with one hand. The suspect was laughing as he was shooting. She heard the gunfire and then saw the door glass break. Lauren stated she heard more gunshots when she was outside.

Lauren's mother, Ginger Waterbury added the following account of Lauren's statement as she talked to her on the phone. She stated Lauren said: "Some boy brought a gun to school." "A boy is chasing kids and shooting at kids." "I gotta go, he's right here." Mrs. Waterbury stated Lauren dropped the phone and she heard rapid metal sound and realized it was bullets. She then heard the fire alarm go off.

Lauren stated no one came out of Language Arts hallway or the front doors or the gym. She stated the suspect came from down the hallway toward the library. She stated she saw these other doors while on the phone and the suspect did not use these.

Lauren stated while at a LaCrosse meeting with Chatfield students she noticed backpacks with "CHS 4-20" "CHS 13th.day" "Chatfield TCM". Lauren stated she added the days up and the 13th. day is May 2nd. She doesn't know the significance of this but felt she needed to mention it.

Lauren also stated when the kids were at the Cooper Theatre, Thursday night 4-22-99, two people in trench coats came into the

theatre and yelled "Nicole" as if looking for someone. She stated she left by the left door and didn't see any uniformed officers as they were told.

This concluded the interview with Lauren and her mother.

INVESTIGATION:

On 10-23-99, I spoke with Ginger Waterbury by phone. Mrs. Waterbury is the mother of Lauren Waterbury. Lauren Waterbury is a student at Columbine High School. Lauren was interviewed regarding her observations of the events which occurred at the high school on 04-20-99. A report of her observations is under Rapid Start Number 4550.

Mrs. Waterbury told me that on 04-20-99, she received a phone call from her daughter Lauren. Lauren was calling from Columbine High School. She stated she spoke with Lauren about two minutes on the phone when Lauren told her that something was wrong. Lauren dropped the phone and then later came back, told her mother that there was a student with a gun in the school and to come pick her up right away. Mrs. Waterbury stated that she later received a phone bill in which the phone call she received from her daughter was documented as being made at 1123 hours and had a duration of 3.8 minutes. I asked Mrs. Waterbury to fax me a copy of that bill. A copy is attached to this report.

I spoke with Lauren Waterbury. She stated that she made the phone call to her mother from the phone bank located in the lobby area near the main entrance of the school. Lauren stated that she was on the phone which is on the south wall of the phone bank. After talking to her mother for a short time, Lauren saw students running out the front entrance of the school. She then heard gunfire and saw dents appearing in the main entrance doors.

Lauren Waterbury saw the arm of a male, who was standing behind the south wall she was facing. The male had a gun in his hand and raised up pointing it toward the front doors of the school. She could see the sleeve of his coat, but she could not see the suspect's face. The suspect was laughing and pointing. Waterbury dropped the phone and ran into the women's bathroom, which is on the north side of the phone bank. About a minute later she came back, picked up the receiver of the phone that she had left dangling. She told her mother to come get her, that there was a male in the school with a gun. She then hung up the phone and ran north down the counseling hallway and exited the school. Lauren stated that the clothing she saw the suspect wearing would match that of a black trench coat.

INVESTIGATION:

On 06-14-99, at about 12:30 p.m., I interviewed CHS student Nicole Wiegand as follow up on DN4117. The interview was conducted at Nicole's home in the presence of her mother, Colleen Wiegand.

Nicole told me that on 04-20-99, at about 11:13 a.m., she arrived at her 5th period Algebra class, located in classroom MA-9. Nicole said that she placed her backpack at her desk and then asked her teacher, Elizabeth McWilliams, for permission to go to the restroom. Nicole said that she did not have to use the restroom, but used this as an excuse to walk to the library to make photocopies of documents for her next (Spanish) class. Nicole said that she was given permission to go to the restroom, at which point she exited the classroom, documents in hand, en route to the library. Nicole said that she left classroom MA-9 prior to the start of 5th period, and estimated it was about 11:14 a.m. Nicole said that she then walked northward to the south east-west hallway, then westward down said hallway, past the Science wing and the interior stairway, then northward down the hallway leading to the library. Nicole said that she thought the 5th period bell rang while she was en route to the library, but was not certain.

Nicole said that when she arrived in front of the library doors, before entering the library, she ran into her friend, Hilary Snyder

(11th). Instead of entering the library, Nicole said that she and Hilary said hello to each other and talked for "two or three minutes." Following their conversation, Nicole said that Hilary departed for lunch, and that she then prepared to enter the library. At that point, Nicole said that she was standing near the balcony rail (to the east of the library) that overlooks a portion of the commons area on the lower level. At that moment, Nicole said that she noticed several students on the lower level running toward the east side of the commons and to the base of the stairway. Nicole said that several of these students began yelling and screaming, and that she heard at least one gunshot and the sound of breaking glass coming from the lower level. Nicole said that she remembers some of these students yelling something to the effect of "He's got a gun!"

Nicole said that as she stood near the rail, still unsure as to what was going on, someone yelled at her to get out of the hallway and run. Nicole was unsure as to whether this came from someone on the upper level or someone on the lower level. Nicole said that there was a brief "pause," during which time students continued to run up the interior stairway, but no gunshots were heard. Nicole said that she then ran northward to the main east-west hallway, figuring that the west doors were the closest exit out of the school. Nicole said that when she reached the northeast corner of the library, prior to actually entering the main hallway, she heard "a big boom," several gunshots, and the sound of breaking glass that appeared to be coming from the west doors. Nicole said that she stopped just prior to rounding the corner, and looked at the interior west door. At that moment, Nicole said that she saw a (unidentified) male student "fall down" just inside the interior west door. Nicole said that she did not know if he had been shot, but assumed he had. Nicole could not remember if there were others around this student at that time, and thinks there was broken glass on the floor.

Nicole said that upon seeing this, she turned around and began running southward down the hallway in front of the library. Nicole said that she rounded the corner into the south east-west hallway and continued running eastward, intent on exiting the school through the east doors located between classrooms LA-5 and MA-1. Nicole said that there were other several other students in both hallways at that time Nicole said that while running eastward past the Choir classroom, she heard additional gunshots coming from "somewhere behind" her. Nicole said that upon reaching the exit doors, she exited the school and ran across Pierce Street into Leawood Park. Upon arriving in Leawood Park, Nicole said that she began talking with other students and staff members who were present. Nicole said that approximately ten minutes later (between 11:40 and 11:45 a.m.), several

people inside the park began screaming and were told to run further eastward, into the park and surrounding neighborhood. Nicole said that she then ran to one of the homes to the east of Leawood Park.

Nicole said that she never actually looked out of the west doors near the library, and thus did not see what was occurring outside that area of the school . Nicole said that she never saw any shooter(s) at any time, nor did she see anyone wearing a trench coat. The interview concluded at about 1:30 p.m.

Mr. Williams is a locksmith for Jefferson County Public Schools.

This investigator met with Mr. Williams at noon while he was on his lunch break at R-1 shops, Kipling and 285.

Mr. Williams stated he was walking to the BE's office (building engineer) when he saw the teacher (on 911 tape), who he didn't know going toward the double doors on the West side of the building. He saw the teacher approach two suspects.

Mr. Williams stated there were two or three girls standing between the double doors that lead outside at this time.

Mr. Williams stated the two suspect started shooting causing the glass in the double doors to break and fly all over. At this time Mr. Williams turned and ran down the main hall and then left toward the weight room of the gym.

When reaching the weight room, approx. 30 to 40 students were in the room with Joe Marshall, a teacher. Mr. Williams informed Mr.

JC-001-006026

Marshall what was happening. Mr. Marshall went to look according to Mr. Williams.

The suspects then began shooting at Mr. Marshall who quickly returned to the weight room and possibly pulled the fire alarm according to Mr. Williams. They then began evacuating students out a North door.

Mr. Williams described the first suspect as: 6'3" to 6'4", Cauc. Male, skinny, wearing a black trench coat and black shoes. The suspect held a weapon in both hands. Mr. Williams believes the weapon was an automatic, because it sprayed the doors. The suspect only fired 2 to 3 seconds. Mr. Williams stated the front of the coat was open and the coat looked like every pocket was full of something.

Mr. Williams stated the suspect didn't hesitate on shooting at the teacher and the suspect never said a word.

Mr. Williams described the second suspect as a Cauc. Male, shorter about 5'6" to 5'8" with a regular build. He couldn't remember clothing except to say probably black.

Mr. Williams stated he didn't hear any explosions while he was in the building. He heard explosions when outside, possibly 3 or 4 coming from the main hallway.

When outside Mr. Williams stated Joe Marshall and the principal told him some guy in White threw a bomb up on the room. He stated a number of teachers told him the same thing. He felt they meant the roof near the gym on the West side.

Mr. Williams stated he felt 5 or 6 minutes passed from the fire alarm going off and the bombs exploding.

Mr. Williams stated he had nothing else to add except he didn't know either suspect, but assumed they were students.

The interview was concluded at this time.

Littleton, Colorado 80123

INVESTIGATION:

On 6-16-99, at about 1630 hours. I contacted Justin Wilson by phone I asked Justin to relay to me the events which occurred on 4-20-99 at Columbine High School. This supplement is connected to control number DN3663.

Wilson stated he is a student assistant who works in the attendance office of Columbine High School. On 4-20-99 he was in the south hallway of the school between the choir room and the math rooms. He saw two students whom he did not know running east in the south hallway. The students stated, "There's guys in the commons with guns." Wilson went towards the administration area because he did not know if the office was aware of the problem. He went north in the hallway which runs along the language arts area.

Thirty to forty feet prior to entering the upper commons area, which is near the main entrance of the school, Wilson heard a single gunshot. He saw a male teacher, whom he did not know, ducking. The teacher was coming from the upper commons area into the language arts hallway Wilson was in. Wilson stated he thought the teacher might be an assistant basketball coach. When the teacher entered the language arts hallway, the teacher turned to his left and went east down a Social Studies hallway

Wilson then heard another single gunshot. He heard the sound of breaking glass. He saw glass being scattered along the upper common's floor which is next to the glass entry doors. Wilson did not see the door being shot, but believed the glass came from the entry door. Wilson stated that the doors, which connect the upper commons to the language arts hallway which he was in,

are always left open.

At that point Wilson turned around and went back down the hallway to the south main hallway and turned east, exiting the east doors of the school near the math rooms. Once outside of the school, Wilson ran towards Leawood Park. He stated that a friend of his lives in a house near Leawood Park. He ran to his friend's house, where he called his father and his father came to pick him up at his cousin's house, who also lives in the Leawood subdivision.

Wilson stated that at no time did he see any suspects, see any weapons or observe anyone being wounded. He estimated the time in which he saw the first students running east in the south hallway as approximately 1119 hours.

DISPOSITION: Open.

After closing the locker both students started back toward the cafeteria stairs. At the top of the stairs, all of a sudden, Cameron stated he saw some of their friends, Joey Millazzo and two others coming up the stairs. Cameron stated they were in a hurry and Joey said something like; "Gunshots, get out of here." Cameron stated he didn't pay any attention.

Cameron stated Mark looked down the hallway, around this pillar and stated; "Shit Cameron, there's a guy with a gun." Cameron stated Mark started running down the other hallway, East by the Science/Math rooms. Cameron went on to say the ceiling then started falling from gunshots, so he followed Mark.

Cameron stated they both then ran out the East side doors past the math rooms. Once outside they both ran to Leawood Park and then to a friends home. No one was home so they ran to a friends house and called Cameron's grandmother and informed her of what happened.

Cameron was asked about the shooter and he stated he never did see the shooter. Cameron stated he never heard any explosions.

Cameron stated he thinks the gun was an automatic as it sounded like it was shooting faster than you could pull the trigger.

Cameron stated he doesn't know any one that belongs to the TCM.

Cameron also stated he doesn't have any TCM members in any of his classes that he know of.

Cameron described his backpack as a Yellow North Face brand "Hot Shot" with a TI 83 Calculator and books and folders with his name on it. He stated he left it in the hallway.

Narrative:

On 05-13-99 I interviewed APPERSON via telephone. APPERSON is a junior at Columbine High School. APPERSON leaves her fourth hour class at 11:10, and leaves the school through the student entrance located on the southwest portion of the building. APPERSON's car is parked in the junior parking lot, space number 440. APPERSON states that she does not see anything unusual while leaving the lot. APPERSON explains that she is preoccupied, and determined to return home and complete a paper for her English class. APPERSON is also a member of the lacrosse team they have a game scheduled the evening of 04-20-99. She states this adds to her being preoccupied. APPERSON drives from the junior's parking lot, enters S. Pierce St. and goes directly home. APPERSON does not hear shots fired, or the explosions.

APPERSON states that she is at home working on her paper when she learns of the incident at the school. A friend telephones from Western State College in Gunnison to check if APPERSON was injured. This friend informs APPERSON of the event at the school.

APPERSON states she had no prior knowledge of the attack. She did not know Harris, Klebold, or any of their associates.

A few days after the incident APPERSON states that she had a conversation with sophomore student Sarah Brown. Brown tells APPERSON that after the shooting began she (Brown) observes Alexandra Marsh walking slowly away from the building. Brown attempts to hurry Marsh along and Marsh states, "Leave me alone. If I had a gun I would shoot you too".

APPERSON had no other information and the interview was concluded.

I queried rapid start for information on Brown. Discovered information under control number 1513. Brown was interviewed by Lakewood PD Detective Karla Sarnacki. Sarnacki's interview report contains a similar statement attributed to Brown.

Stefanie lives with her mother and boyfriend, Ryan SCHUMER. Ryan is a senior at Columbine High School and was also interviewed by me. (see Information Control No. 3753.)

Stefanie related that she drove to school on April 20th with her boyfriend, Ryan SCHUMER. and parked in their customary parking spot next to Defendants KLEBOLD and HARRIS parking spots. She does not have first period, thus she guessed that they arrived at the school at between 7:30 to 8:10 p.m. She attended her normal 2nd, 3rd and 4th period classes. Her 4th period class was released early, so she left the school at about 10:45 p.m. with Ryan SCHUMER. She did not observe KLEBOLD and HARRIS's vehicles in the parking lot when she either arrived or departed school that day.

They left to go home for lunch and was not allowed back into the area of the school after lunch because the shootings had already begun. She stated that her and Ryan customarily leave the school grounds for lunch as did KLEBOLD and HARRIS.

STEFANIE walked pass the cafeteria between 3rd and 4th period, however, she did not go into the cafeteria nor did she see anything suspicious. She believes that she spoke briefly to both KLEBOLD and HARRIS on the previous Monday, April 19,1999 while at their vehicles.

Stefanie was wearing dark blue jeans and a light blue shirt on that day. She does not know anyone with a double pierced eyebrow She does use the Internet and she screen name is "STEFSWIN". She does not know what an ICQ account is.

She does not remember what the thought of the day was on April 20th. The only other pertinent information she had was that another member of the Trench Coat Mafia may be PAULENE COLBY.

Barnes, Kyle 7-2-80

On 5-13-99 I interviewed Barnes who told me that he knew both Harris and Klebold. Harris was in his 3rd hour Philosophy class this semester. Harris was not in Philosophy class on 4-20-99 even though they were scheduled to have a "big exam". Brooks Brown is also in that class and Barnes thinks that Brown was possibly in the class on 4-20-99. Barnes is an athlete (basketball) and never made fun of Harris or Klebold specifically but did make fun of the TCM in general. Barnes did have a group project in Philosophy with Harris about 3 weeks ago and worked well together with no problems. Barnes has seen Harris around since Junior High School but feels that he knows the other TCM members better (ie. Brown, Morris, etc.).

Barnes concluded by saying that he has 5th hour lunch and was off campus at a friends house at the time of the incident on 4-20-99.

No further information.

Denise stated she drove to school on 4/20/99, arriving at approximately 0715 hours. She parked in Senior parking lot, space number 17. She was alone and she didn't see anything unusual outside. She did not see Harris or Klebold that morning. She stated she recognized members of the trench coat mafia group but she did not know them. She did not see any of them that morning.

Denise has Physics first hour, Calculus second hour, Psychology third hour, and fourth hour is her off hour. She stated she left school at approximately 10:20am and went to the King Soopers at Coalmine and Pierce to buy her lunch. She stated she was alone and drove there. She arrived back at school approximately 1105 hours and parked in the same spot. She stated she met Mike Kroll at his fourth hour classroom. She did not see anything unusual in the parking lot or outside the school upon her return. I asked if she remembered seeing anybody in particular outside the school and she could not.

Denise and Mike Kroll then left the school and he drove her car. They went to the McDonald's on Wadsworth, north of Southwest Plaza. She stated when they tried to drive back to the school they found that Pierce was blocked off by the police, and they went through the neighborhood to get to Leawood Park.

Denise stated she remembered there was something weird about the *thought for the day*. She stated the date is usually spelled out, but this time it was in big numbers. She stated the thought for the day was not a typical one for the people who usually did it. She stated it was something like *you don't want to be here*. Denise added that Dylan Klebold is in her second hour class but she doesn't think that he was there that day.

INVESTIGATION

On 6-30-99, at about 0940 hours I contacted witness Bath by telephone and advised him I was conducting interviews of faculty and staff, and asked for any pertinent information he could provide to this investigation.

Witness Bath advised he had left the school grounds at about 1115 hours on 4-20-99, and went to the 7-11 on South Platte Canyon Road. He advised he was in Tom Johnson's vehicle, another Columbine H.S. teacher and that they had returned back to the area of Coal Mine and Pierce at about 1130 hours, at which time they observed all the adjacent streets to the school were cordoned off by police, and fire vehicles. He said he was not allowed to go back down to the school area, but had taken some side streets; specifically unknown, and was trying to find his way back near the school. He advised on one of the side streets he observed a student known to him as well as Mr. Johnson as Brooks Brown. Brooks had motioned them over, and they asked Brooks, "Do you know what's going on?" Brooks made the statement that he observed Eric Harris carrying a duffel bag in the parking lot. Brooks was confronted by Eric in the parking lot and made the statement something to the effect, "I like you, get out of here." Witness Bath could not provide any more information to that particular conversation and did not have any specific details as to what was going on at that time. He advised he and Mr. Johnson had worked their way back around to the north side of Clement Park where they observed numerous police vehicles in the immediate area of the school and roped off by police tape. He indicated he stayed at Clement Park for approximately four hours. Did nothing in particular during that time other than to observe police activity. He stated Mr. Johnson had driven him to his wife's work location at approximately 1700 hours, where he met with her and returned home. Witness Bath could provide no further information relative to this case.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 5/26/99

On 5/26/99, Kelly Beer, DOB 2/14/81, 5141 South Estes Street, Littleton, Colorado was advised of the identity of the interviewing Agent, and the nature and purpose of the interview. She was interviewed in the presence of her Father, Jerry Beer, DOB 3/23/55. She provided the following information.

On 4/20/99, Kelly arrived at the Columbine High School at approximately 7:15 a.m., with her Sister, Katie who is a freshman at Columbine. They parked in the senior parking lot. She went to her normal classes, her last class prior to first or A lunch period was cooking class. She normally has this lunch period, but usually goes to the library to study. However, on this particular day, she decided to go out to lunch with her friend, Jessica Rosecrans. They walked to the senior parking lot at approximately 11:15 a.m., and drove to the Southwest Plaza for lunch. While in the parking lot, she didn't see or hear anything unusual. When she and her friend attempted to return to school, Pierce was blocked off, so they drove into Clement Park, and parked where the sophomores normally park. At Clement Park, she first learned that there had been a shooting at the school. She attempted to look for her Sister in the park, but could not find her.

She knew who the Trench Coat Mafia (TCM) was, to include Eric Harris, and Dylan Klebold. She also knew of other students that were involved with the TCM, although she didn't associate with any of them. She believes that a girl named Alejandra Marsh was also a TCM member. She didn't see either Klebold or Harris on either Monday or Tuesday. She had a composition class during the first semester of this past school year with Eric Harris. She said that Harris was strange, and would say strange things in class. On one occasion, Harris spoke of survival of the fittest, and that if you weren't fit, you'd deserve to die.

She related another incident that occurred in Columbine in the Spring of 1998, that involved her boyfriend, Paul Maten, and the TCM. She stated that Joe Stair, and a student named Eric Dutro were in the commons during 7th period which was a free period. Paul Maten and several athletes to include Scott Marshall were also in the commons at this time. There were also

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency

several other students present for their free period as well. Dutro and Stair were sitting at a table playing cards. Dutro got up from his table, and began harassing

other students by getting in their faces and saying "Satan loves you". Many students were upset by Dutro's behavior. Dutro and Stair then began kissing each other in front of the entire cafeteria. In disgust, Paul Maten went to their table, and pushed all of their playing cards to the ground. Stair yelled at Maten and told him "that is why we hate you, and that is why you are on our list". Later that summer, Maten began receiving death threats on the telephone. He would answer the phone, and an individual would say that he was going to kill Maten. German music was playing in the background. This happened as many as 20-30 times in one evening. Maten went to the police, but the police informed him that there was nothing that they could really do.

Kelly does not use the Internet, or chat rooms. She does remember the thought for the day on 4/20/99 being "you'll wish you weren't at school today", with 4/20 flashing on the screen. She thought that this was referring to 4/20 being national pot smoking day.

On August 10, 1999 between the hours of 1115 and 1120, I attempted to contact Christopher Beets in reference to the Columbine incident that occurred on April 20, 1999.

I contacted Christopher's mom, Gail Beets, and she proceeded to tell me that Christopher had left school prior to the incident occurring on April 20, 1999. Gail Beets explained that Christopher left school at approximately 11:15 a.m. and went to lunch with his girlfriend, Sarah Bay. Christopher had told his mother that he did not observed anything out of the ordinary when he left school for lunch and there was no additional information he could pass on in reference to this incident.

INVESTIGATION:

On 06-09-99, at about 1530 hours, I responded to 6418 West Roxbury Drive to contact and interview Amy Bierbach who is a student at Columbine High School. This interview was in reference to the shooting that occurred at the school on 04-20-99.

Amy Bierbach said on 04-20-99, at about 1110 hours, after she got out of her science class at Columbine High School, and then she went to her locker (#170), which is in the science hall on the second level of the school. Amy said after she was done in her locker, she proceeded to walk down the stairs into the cafeteria, and arrived shortly after 1110 hours. Amy said she waited in the cafeteria until approximately 1115 to 1120 hours, while her friend, Emily Jacobson, went back up the stairs to her locker to get her keys. Amy said when Jacobson returned, they exited the high school through the doors that lead from the "Rebel Corner" hallway to the exterior of the high school into the Junior student parking lot. This door is on the south side of the cafeteria, and south of "Rebel Corner." Amy said after exiting the high school and going into the parking lot, Jacobson and herself went to Amy's house for lunch at 6418 West Roxbury Drive. Amy said they arrived at her house on 04-20-99, between 1125 and 1135 hours. Amy said after leaving her house to go back to the high school, they found a heavy police presence and were not able to get back into the school. Amy said due to the fact that she was gone when the incident occurred at the school, she did not hear any bombs being detonated or firearms being discharged, nor did she see any students with firearms and/or explosive devices upon leaving the school.

I showed Amy the photographs of the duffle bag and propane tank that were later recovered in the cafeteria area of the school. Amy advised she did not see either item prior to the shooting on 04-20-99.

I asked Amy if she was familiar with Dylan Klebold or Eric Harris. She said she did not know either one of these students prior to this incident. Amy advised she does not believe that she had even seen either one of these two suspects in the hallways at the school prior to the incident or during the past school year. Amy said in her second hour class was a female student by the name of Alex Marsh who Amy believed could possibly be an associate of the Trench Coat Mafia. Amy described Marsh as "really weird," and said Marsh did not wear a trench coat however. Amy said Marsh would wear a teal colored baseball hat, possibly a Miami Dolphins hat; however, she was not certain. Amy said Marsh was very smart in her classes, and seemed to say various things that would let people around her know how smart she was. Amy said that Marsh would play cards at a table in the cafeteria at lunch with other Trench Coat Mafia students; however, she was not sure who these other students were at the time of this interview. Amy said Alex Marsh was in the second hour class on 04-20-99.

When I asked Amy about the other Trench Coat Mafia students and/or associates, she was familiar with some of them; however, she did not know any of them well. Amy said David Caravan was in two of her classes about two to three years ago at Columbine High School. Amy said Caravan was quiet and said she had not seen him in the past two years since the class. Amy said Krista Hanley would wear black clothing similar to that of what the Trench Coat Mafia students would wear, and would stick up for the Trench Coat Mafia students. Amy said she recalled Pauline Colby would wear all black clothing as well. Amy said Kirsten Theilbault, who she believed was an associate of the Trench Coat Mafia, and said she possibly wore black clothing. Amy said Theilbault was heavy set and would be teased about her weight on occasion. Amy did not know who Theilbault's boyfriend was. Amy said she knew who Robert Perry was, and said he always wore a trench coat. She recalled Perry sticking out from the other students due to the fact he was tall. Amy said she did not recall seeing Perry on 04-20-99.

Amy said she was familiar with the Rebel News Network (RNN) and the thought of the day, which is a daily statement made during second hour classes at the school. Amy said she believed Eric Harris and Dylan Klebold were part of the Rebel News Network, and said she was aware that they were in the video productions class. Amy said to her knowledge, Harris and/or

Klebold had picked or selected Rachel Scott to be with them at their table during this video productions class. Amy said she had no idea why Rachel Scott would have been targeted by the suspects on 04-20-99.

Amy told me she has not heard about anybody, nor has she heard any rumors about anybody who may be constructing explosive devices and/or possessing or buying any firearms.

Amy told me since the incident, she has not had any problems coping with it; however, I gave her one of my business cards, and advised her if she wanted to talk with a JCSO victim advocate in the future, to contact me and I would make the necessary arrangements for her.

INVESTIGATION:

On 6-10-99, at about 1230 hours, I interviewed Michael Bierman at the JCSO South Substation. Michael Bierman attended Columbine High School during 1998/1999 school year. This interview was in reference to the shooting that occurred at Columbine High School on 4-20-99.

Michael Bierman said on 4-20-99, at about 1110 hours, he got out of his English class at Columbine High School for lunch. Michael said he left Columbine High School at about 1115 hours and went home to 6692 West Frost Avenue. Michael said after lunch he tried to return to Columbine High School for his afternoon classes, however, due to the police presence in the area of Columbine High School he was unable to return. Michael said he did not go into the cafeteria of Columbine High School at all on 4-20-99.

Michael Bierman said he did not know Dylan Klebold or Eric Harris well, however, he said they were both in his English class. as was [redacted] Michael said that [redacted] had been in this class as well, but had transferred out of it. Michael said on 4-20-99 both Dylan Klebold and Eric Harris were gone from this English class. He said he was fairly sure, however, that Dylan Klebold and Eric Harris were in attendance in this English class on Monday, 4-19-99.

Michael Bierman said although he did not know much about the "Trench Coat Mafia" students, he did know that they would dress in black and wear black hats with names of German bands, such as "KMFD", on these hats. He also said they would wear trench coats and army boots. Michael said he has seen members of the "Trench Coat Mafia" harassed on a nearly every day basis by the "jocks" and especially by the football players at Columbine High School. Michael said these "jocks" would make fun of the "Trench Coat Mafia" students clothing, but the "Trench Coat Mafia" students being harassed would not stand up for themselves. Michael said he did not see the "Trench Coat Mafia" students harass the "jocks" or any other students. Michael said that although he was a football player, and could tell the "Trench Coat Mafia" students did not like him, he did not recall them saying anything to him or harassing him.

Michael Bierman said he could not hear the conversations between Dylan Klebold, Eric Harris, [redacted] while in the English class, however, he did remember hearing bits and pieces of conversations where they would talk about cars, their bowling class, and just about "hanging out." Michael said on 4-20-99 both [redacted] and [redacted] were present in the English class, however, he could not remember them saying anything. Michael did say he considered [redacted] and [redacted] as "good guys." Michael said that as part of this English class the students were required to put together essays and then volunteers would read their essays to the class. He said Dylan Klebold, Eric Harris, and [redacted] would volunteer to read their essays to the class, and said they would write these essays about guns and death. Eric Harris wrote an essay about how he was "a shotgun bullet," and talked about how he went into someone's body as a "shotgun bullet." Michael said the teacher of this English class was Mrs. Kelley, and Michael said he felt she handled these type of essays and situations very well in this class.

Michael Bierman said Dylan Klebold was definitely a follower of Eric Harris. He said if Eric Harris would say something, a short time later Dylan Klebold would be saying the same thing. Michael said he could not recall seeing Eric Harris wear a trench coat prior to January 1999, and said in fact as far as he could recall Eric Harris would "dress normal" prior to January of 1999. Michael said he believed there were about six to ten "Trench Coat Mafia" students at Columbine High School. He said they would all wear black clothing, and said he would estimate approximately three females were "Trench Coat Mafia" student members. Michael said some of the "Trench Coat Mafia" students would wear black lipstick and/or white make-up. Michael said he would consider these "Trench Coat Mafia" students as "Gothic."

Michael Bierman told me that he knew little about the individual "Trench Coat Mafia" students and/or associates. He said Robert Perry had been in the English class at Columbine High School, however, he transferred out of this class. Michael described Robert Perry as "strange" and said he also was "Gothic." Michael said Perry would sit in the class by himself and alone, and said Perry would always wear a trench coat. He said Robert Perry was tall, about 6'4" to 6'5" tall, so he would stick out in a crowd according to Michael. Michael also told me Robert Perry would wear black lipstick and eye shadow.

Michael Bierman said Chris Morris would wear a trench coat and a "Remstein," (Michael Bierman said this is a German band name), black pants with suspenders, and army boots. Michael said Chris Morris was on a Columbine High School class bowling team with Nate Dykeman.

Michael Bierman said when the students from Columbine High School resumed their classes at Chatfield High School, Rebecca Hines did not attend and told her class that she felt threatened, and that was the reason for not attending Chatfield High School Michael also told me that Brooks Brown, Nate Dykeman, Chris Morris, and Robert Perry did not attend this school either, but Michael said he did not know the reasons why they did not attend.

Michael Bierman said he did not see anyone carrying duffle bags prior to the shooting on 4-20-99. He said he does not know of anyone, nor has he heard rumors of anybody, manufacturing explosive devices and/or selling or possessing firearms. Michael said he did not see the "thought of the day" on the Rebel News Network (RNN). For 4-20-99. He said he had first hour off from classes on 4-20-99 and said he was late for the second hour class, which is when the "Thought of the day" is broadcasted.

Michael Bierman said that a female student by the name of Katy Beer told him that on 4-20-99, when the incident began at Columbine High School, she initially tried to get out of the school by going towards the main doors on the east side of the school by the administrative offices, however, she said she saw a third shooter next to these offices and this third shooter shot out windows at that location. Katy Beer told Michael Bierman she therefore had to find an alternate location to exit the school. Michael said Katy Beer told him this third shooter may have been [redacted] Michael said several students from Columbine High School believed there were more than two shooters during the incident at Columbine High School on 4-20-99.

Michael Bierman told me that during his freshman and sophomore years he attended Columbine High School, but said he was the victim of so much racial intimidation that he transferred to Dakota Ridge High School for his junior year. (Michael Bierman is Asian). Due to the fact Michael Bierman's grades were not high enough at Dakota Ridge High School, he had to transfer back to Columbine High School for his senior year. Michael said during his senior year at Columbine High School, there was not nearly as much racial intimidation directed towards him as there had been during his freshman year and sophomore year.

I asked Michael Bierman how he has been coping with the incident since 4-20-99. He told me he has had moments where it has been hard on him, however, he feels he is handling it fairly well at the present. I gave Michael Bierman one of my business cards and asked him to contact me if he wanted to talk with a JCSO Victim Advocate in the future and I told him I would make the necessary arrangements for him at that time.

OBSERVATION / INVESTIGATION:

On May 20, 1999 I was assigned an interview with Columbine High School student Michael Biggs. On May 27, 1999 I spoke to Michael's mother, Denise Jacquez, and made an appointment to interview Michael on June 1, 1999 at 0900.

On June 1, 1999 at 0850 I arrived at 8378 South Upham Way, A-206, to interview Michael. I spoke to Denise Jacquez who informed me that Michael had been called in to work at Builders Square. At 0900 I arrived at the Builders Square at 4887 South Wadsworth Blvd. and contacted Michael Biggs. Michael confirmed that he is a student at Columbine High School, in the eleventh grade. Michael also advised that he had been in school on April 20, 1999.

Michael said that he had not been in the cafeteria at all during the morning on April 20th. Michael advised that his lunch period is after third period, and that he had gone to a Taco Bell at Bowels Avenue and South Wadsworth Blvd., across from Southwest Plaza. Michael advised that he left for lunch between 0930 and 1030. Michael said that he was accompanied by two female students Kari and Monica. He did not know their last names. Michael continued to say that he had been in Literature class before going to lunch. Michael said that after the class he walked around the halls for a short period of time trying to decide where to go. He met the girls and the left the school by way of the main exit near the office. Michael said that he had parked his car in the teachers lot and they left from there.

Michael said that while he was in the hall way he did not observe

anyone carrying large duffel type bags, nor did he encounter anyone associated with the Trench Coat Mafia.

Michael reported that after leaving the Taco Bell they went to Southwest Plaza for a short period of time and then returned to school. Michael said that they entered the teachers parking lot at about 11:10AM, and encountered a large mass of students running from the building. Michael stated that it did not appear, to him, like a normal fire drill as the students were not exiting the building in an orderly fashion as would be the case in a fire drill, and they appeared panicked. Michael said that he talked to some of the exiting students and learned that there was shooting going on inside the school. Michael advised that he, Monica, and Kari left in his car. He advised that they started to drive into the south parking lot but pulled back out onto Pierce Street. They then went to Monica's house where they remained for one hour watching the news coverage. They then went to the library on West Bowels Avenue and also spent some time at the Mann Theaters. Michael said that as they started to turn into the student parking lot he did not observe anyone with guns. In fact he said that he did not see anyone in the lot.

Michael advised that he had a second period video class with Eric Harris. Michael continued to say that he had no contact with Harris in the class. Michael also related that Harris's friends would often sit in the class with Harris. Michael said that he had noticed that Harris would stare at him for no reason. Michael said that he felt intimidated by Harris and the other members of the Trench Coat Mafia. He said that he had no confrontations with Harris or any other member of the group, so he did not know why Harris was staring at him. Michael reported that this was a common tactic of the members of the Trench Coat Mafia. Michael stated that he did not know the names of Harris's friends who would come to the class but described one of them as a: white/male, tall, skinny, with long sideburns and brown hair. Michael said that this person drove a white pickup. Michael continued to say that he had never seen the video's that Harris had made.

Michael said that he spend alot of time on the internet but he had never come across Harris's website and had not corresponded with any members of the Trench Coat Mafia on the internet. Michael was not familiar with any names that Harris or Klebold had used on the internet. Michael did report that the internet was full of sites like Harris's.

Michael reported that he had heard no rumors about possible trouble on April 20th, before that date. He also said that he had heard nothing about anyone building bombs or selling guns. He did advise that Harris was not in the video class on April 20th which he thought was a little unusual as Harris was almost always in class.

Michael could provide no additional information and the interview concluded at 0930.

On 05-18-99 at about 1140 hrs., this Investigator telephoned:

BINGEL, CHRISTOPHER ANTHONY
DOB: 04-22-80
(303) 797-0402

Bingel related he was at the Wellshire Inn, during the morning hours. He was attending a banquet for the Marketing Club. The banquet lasted from 0830 to about 1015 hrs.

Bingel's 5th hour was free, so he just went home. A fellow student took Bingel home, who is identified as:

LAMERS, WEST

Bingel stated West went back to school. After the incident started, West ran to Bingel's home, which is not very far from the school. West was in a math class.

Bingel stated he did not personally know Eric Harris or Dylan Klebold. He did have a class with Klebold during the first semester, which was Government and Economics. Bingel stated he never spoke to them.

This Investigator asked Bingel if in conversations with his fellow students, is there anyone who claims they saw more than two people and he said no. Bingel did indicate his brother was also at school on 04-20-99. Bingel identified his brother as:

BINGEL, PATRICK THOMAS

Investigator Dan Pfannenstiel / West Metro Fire / 303-989-4307 Extension 530

On May 10, 1999 at about 1000 hours I spoke with Lauren Danielle Bixler (dob / 6-5-84) and her mother, Monica (cell # 303-807-6067), by telephone. Personal information on Lauren Bixler is as follows:

6315 South Lamar Court
Littleton, CO 80123
303-795-9807

Lauren stated that she was not in the cafeteria at the time of the incident and thus the interview was conducted over the phone. In addition, Monica's schedule did not allow for a face to face interview in the near future.

Lauren gave the following information in regards to the April 20, 1999 incident at Columbine High School:

- Lauren stated that she has Spanish class first hour and meets her friends in the cafeteria before this class. She stated that at about 7:20 a.m. she met with the following:

  Chelsea Brown
  Janelle Haslet (sic)
  Eric Parsons
  Chris Therian (sic)
  Jason Brian
  Brian Fry
  Dan Greer
  Ryan (unknown last name)

- Lauren stated that they met near the bottom of the cafeteria stairs for about five minutes prior to going to Spanish class. She stated that this is a typical routine for her. She stated that she did not see anybody resembling the "Trench Coat Mafia" that morning, nor did she notice any "large duffel bags or backpacks".

- Lauren stated that she then returned to the cafeteria at about 10:55 or 11:00 a.m. She stated that she got out of gym class a few minutes early and met some friends in the cafeteria so that they could go out to lunch. She stated that she came down the interior stairs and walked straight through the cafeteria to the tables near the west windows.

The following supplement is being submitted in reference to Jefferson County Sheriff's Department CR#99-7625 and Arvada Police Department CR#99-12067 regarding the murders committed at Columbine High School on 04/20/99. The following report is being submitted by Det. Jim Vonderohe, Arvada Police Department who is a member of the task force that is investigating the shootings at Columbine High School. The following supplement is a synopsis of an interview conducted by Colorado Bureau of Investigation Agent Jerry Means and Det. Jim Vonderohe of Abigail J. Boles, DOB: 03/10/82. This interview was conducted at Abigail Boles' residence and in the presence of her mother.

Abigail Boles was interviewed in the living room of her residence located at 7616 S. Ingalls St., Littleton, CO, 303-973-9159

Regarding the shooting incident at Columbine High School, Abigail Boles stated that she was at school that morning, but left for home approximately one hour before the incident erupted. She stated that her mother picked her up between 0930 hours and 1000 hours, after the school nurse had telephoned her mother, stating that she should come and get her since she was sick. Abigail Boles stated that she was sick that morning and was vomiting, so her mother came and picked her up. The above information was verified by Abigail Boles' mother, who as mentioned previously, was sitting in the living room during this interview. Abigail Boles stated that she found out about the shooting incident on T.V. at 1130 hours, when her mother woke her up in order to watch the breaking newscasts on T.V.

In discussing what took place at school that morning when she was at school, Abigail Boles stated that her first class begins at 0730 hours and that approximately fifteen minutes before the class beginning, she did see Eric Harris. She stated that at approximately 0715 hours that day, she saw Eric Harris in the commons, or cafeteria area, at which time she said, "Hi" to him. She stated that he returned the greeting and then she said goodbye to him while she was en route to her first class. Abigail Boles stated that when she made the greeting to Eric Harris, she was alone She further stated that was the only time that day that she did see and talk to Eric Harris. She stated that Eric Harris at that time was wearing normal blue jeans and a white t-shirt, with some type of print on it. She also stated that he was carrying a black backpack with him.

Abigail Boles further advised the investigators that when she met him that morning in the commons area he was with some other male that she did not know by name. She stated that she has seen this person around the school before and that he had not graduated from the school. Upon further questioning, she was explicit in the fact that this other person was not Dylan Klebold with Eric Harris in the commons area. She further was certain that this person also

was not a "Trench Coat Mafia" member, otherwise she probably would have known his name. She could only describe this other person as being a white male, and being of the same height as Eric Harris. She further stated that this person had short dark brown hair.

Abigail Boles stated that she is familiar with most of the members of the "Trench Coat Mafia," with her identifying the people that she knew in this group as being her brother, Tad Boles, Joe Stair, Robert (LNU), John (LNU) who also goes by the name of "Screech" who has curly hair and is dorky looking. She also stated that she knows Brian Sargent and Chris Morris, who are members of the group. She further stated that there are no girls in the group, although there are girls that associate with the male members of this outfit.

Abigail Boles stated that the original group consisted of Joe Stair, her brother - Tad, and Chris Morris. She further stated that Eric Harris and Dylan Klebold were really not even part of the main group, but basically, hung together as an off-shoot of this group. She further stated that the name "Trench Coat Mafia" was given to them by other people because of the black dusters or trench coats that they wore.

In discussing her relationship with Eric Harris and Dylan Klebold, she stated that she really didn't know either one of them very well, but was just acquainted with Eric. She further stated that she says hi to almost everyone that she meets, at least once in order to see what type of response she receives from them. Abigail Boles stated that she has never been to either Eric Harris' house or Dylan Klebold's house. She stated that of the limited conversations that she has had with these two individuals, they never mentioned to her anything about their interests or use in any type of weapons or explosive devices. She stated that the only thing they really talked about was a video game called "Doom." She further confirmed the fact that on April 20th, Tuesday, she never talked to Dylan Klebold that day.

In questioning Abigail Boles as to if any of her friends knew who committed this violent act at Columbine High School, she stated that most of her friends were in a panic when this was occurring and that the only thing they could state was that the "Trench Coat Mafia" members did it. She did state that several of her friends who witnessed the shootings said that one of the suspects looked like Dylan Klebold.

When asked if any of the students killed at Columbine High School were known to her, Abigail Boles stated that Isaiah Shoels was a friend of her's and that Rachel Scott used to push her downstairs sometime earlier in their school life history. She further stated that Cassie Bernall was an acquaintance of her's and that she personally admired Cassie Bernall because she carried a Bible around school with her.

In discussing with Abigail Boles if she had any information or if any of her friends knew of any significance that April 20, 1999 would have, she stated that the only thing that the people she associated with were talking about that day because it was National Pot Smoking Day.

Abigail Boles was asked directly if she had any knowledge that either Eric Harris or Dylan Klebold were going to commit the violent acts that they did at Columbine High School, with her stating that she had no knowledge whatsoever. She further stated that she has never talked to Eric Harris on the telephone in her life. She also was very frank about the fact that she didn't have the telephone numbers of any of the students at Columbine High School because she didn't like the majority of them.

With nothing further, this interview was concluded with Abigail Boles at approximately 1150 hours.

On 05-16-99 at about 1940 hrs., this Investigator telephoned:

BOYLE, KAYLEY JAY
DOB: 07-14-82
9555 W. Lake Pl.
Littleton, CO 80128
(303) 933-6175

Boyle related during 5th hour, she was going with a friend to lunch who she identified as:

COOK, BREANNE
(303) 948-2129

Boyle indicated she had not gone to school that day. Currently she was attending Warren Tech. in the morning at Green Mountain. She attended school between 0730 hrs. to 1030 hrs.

On 04-20-99 at about 1110 hrs., Mr. Collins, a teacher at Columbine, called her answering machine. He wanted her to come to school and pick something up. Breanne had ditched that day to come get her for lunch. Breanne picked her up at about 1110 hrs. At about 1115 hrs., they got to the school just when the problems started.

At the school, the police had Pierce blocked off and there were fire trucks and police everywhere. They stopped at the corner of Pierce and Bowles. They went to Woodman Park. They saw a couple of teachers there.

Both girls left Woodman park and drove through the neighborhood. They could not get out, so they left their car. Breanne was driving.

Boyle indicated her last day at Warren Tech. was 04-30-99. Boyle was still a student at Columbine, but they knew she was going to Warren Tech. Boyle has 5th hour off at Warren Tech. She had not been going to Columbine for the last forty days.

This Investigator asked Boyle if she knew Eric Harris or Dylan Klebold personally. She said no, however, she knew they were part of the trench coat group. Boyle did not talk to them and she did not know them.

This Investigator asked Boyle if she has spoken to any of her friends who were at the high school that day who saw the gunmen? She related she has two friends who told her they saw the gunmen. Boyle identified the two girls as:

05-10-99 / 12:10pm
Ben WILSON confirmed he had not attended his morning classes at Columbine High School on April 20,1999. He explained that he does not have a first hour class, and did not attend his World History class during the second period, nor his Gym class during third period. He further explained that he had provided his friend, **BRANDON BRONSON**, a ride to Burt Chevrolet that morning as he was having an ignition put in his car. He said he learned of what had occurred at the school afterwards, and thus did not return to his afternoon classes. Ben said he had not heard anything of the pending assault, but had met Eric Harris last year in a class they had together. He described him only by saying, "Eric was not crazy back then."

I then telephoned Ben Wilson's mother, Sharon Wilson. She provided a similar account of Ben's absence from school that day. She added that Ben is good friends with Brandon Bronson, and that they were retrieving Brandon's car from the repair shop when the incident occurred at Columbine High School.

In an effort to confirm this account I contacted Burt Chevrolet and spoke with Rick Jones, of their Service Department. Jones independently confirmed that on April 20, 1999 they had released a 1990 Chevrolet Camaro after having installed an ignition switch with the customer name listed as "Russ Bronson." He said their records however did not indicate whom had accepted the car as the signature was illegible, nor do they keep records of the time of day vehicles are released. "Russ Bronson" is listed on the Student Information Card as the parent of Brandon Bronson.

CN#2619 lead of Ben Wilson's absence was also cleared as related.

On May 14, 1999, I spoke with Bradley Brunaugh, senior and football captain at CHS. Brunaugh said that he and two friends, Klint Woodman and Jason Rauzi went to Burger King for lunch. He said that they left the parking lot (space 130) at about 1119. They did not see Harris or Klebold or anyone carrying a duffel bag nor did they hear any shots.

Brunaugh said that he knows Harris and Klebold but did not associate with them. He goes to bowling class on Mondays and saw Dylan at the bowling alley on Monday the 19th. As usual, Dylan was dressed in black and wearing dark glasses.

As far as seeing anything unusual on April 20, 1999, Brunaugh said that as he was walking from the parking lot to the school he noticed that Nate Dykeman's white truck was not in the lot as it usually was. When asked why he noticed that, Brunaugh said that the truck was big and beat up and he would walk by it most every day.

CONTROL #1929

On May 21, 1999 Investigator Duane Eaton of the Arvada Police Department was assigned investigative lead bearing control #1929. The information control sheet listed the source of information as Kathy Paavilainen with an address of 5445 W. Karyl Place, Littleton, Colorado, telephone 303-932-0045. The information control sheet was prepared by Detective James Vonderohe of the Arvada Police Department. The narrative portion of the form advised that during an interview of Paavilainen by Investigator Mike Gallagher of the Jefferson County District Attorney's Office and Detective Vonderohe, Paavilainen stated that while working at the after prom party at Columbine High School, she had observed two males attempting to enter the high school by trying the doors at approximately 0230 hours. Paavilainen advised that she also observed student Amber Burgess and a male friend exit outside via the weight room door that was propped open. Investigator Eaton was assigned the task of interviewing Amber Burgess and her male friend to determine if they observed anyone or anything suspicious.

On Monday, May 24, 1999 at approximately 1025 hours, Investigator Eaton was able to make telephone contact with Amber Leann Burgess (DOB 10/22/80), 9050 W. Portland Avenue, Littleton, Colorado, 80123, telephone 303-979-7015. Investigator Eaton advised Burgess of the reason for his call and requested that Burgess speak with him about what took place at the after prom party on April 17 and 18, 1999. Burgess agreed to an interview with Investigator Eaton.

Burgess confirmed for Investigator Eaton that she was at the after prom party at Columbine High School on the two previously mentioned dates. Burgess advised that at one point during the party, she was with a friend she identified as Kristi Held (telephone 797-1591). Burgess advised that at some point during the after prom party, Held's prom date left the party and did not return. Burgess advised that a male who Held is interested in dating wanted to come into Columbine High School's after prom party. Burgess advised Investigator Eaton that this male friend was identified as Ron. Burgess also advised that two other males, Cory and Brian (last names unknown), were supposedly with Ron. Burgess advised Investigator Eaton that Held asked Burgess to attempt to find a door which would allow entry by Ron, Cory and Brian.

Burgess advised Investigator Eaton that she opened the weight room door in an attempt to allow the three males entry. Burgess advised Investigator Eaton, however, that she was confronted by a parent and told to go back into the school. Burgess advised Investigator Eaton that she did not get a chance to allow the three males entry into the school. Burgess advised Investigator Eaton

that later during the night, school staff did allow the three males entry into the school and party. Burgess advised Investigator Eaton that she believes the males were from Heritage High School.

Burgess advised Investigator Eaton that other than attempting to allow the three males into the school, she had not exited the school during the night. Burgess advised Investigator Eaton that she did not observe anything suspicious or out of the ordinary while at the party. Burgess also advised Investigator Eaton that she was alone when she attempted to open the weight room door and that she was not with any male as mentioned in the information control sheet.

Since Investigator Eaton was already in contact with Burgess, he attempted to determine her whereabouts inside or outside Columbine High School on April 20, 1999 in an attempt to determine if she had observed any of the activity surrounding the homicides. Burgess advised Investigator Eaton that she was not in school on that date. Burgess advised that the Saturday previous to April 20, 1999, her grandmother had died. She advised that her grandmother lived locally. Burgess advised Investigator Eaton that the funeral for her grandmother was on Tuesday, so she was out of school attending the funeral. Burgess did advise Investigator Eaton, however, that if she was at school, she would have been in choir in the choir room.

Investigator Eaton asked Burgess if she was acquainted with or socialized with Eric Harris and/or Dylan Klebold. Burgess advised Investigator Eaton that she was not acquainted with and did not know Eric Harris. Burgess did advise Investigator Eaton, however, that she was acquainted with Dylan Klebold. She advised that she was aware of who Dylan Klebold was but never socialized with him. Burgess advised Investigator Eaton that every day when she comes into school, she makes entry into the school through the cafeteria doors. She advised that most every day she comes in, she observes Vanessa Grimes, Alex Marsh and Dylan Klebold all sitting together in a corner of the cafeteria. She advised that these are all subjects who generally dress in black and act a little strange. Burgess added that last semester she was a classmate of Grimes in her Government/Econ class. She advised that Grimes was nice but a bit strange. Burgess advised that Grimes discussed practicing witchcraft while in this Government/Econ class. Burgess advised Investigator Eaton that she has never had any personal problems with any of these persons, however.

Burgess advised Investigator Eaton that she had no other information to give in reference this investigation.

Investigator Eaton concluded this interview at approximately 1040 hours.

IO Parson and Det. Jim Vonderohe were requested by the command post to conduct an interview with Susan Dewitt, who had approached an officer on the perimeter of the crime scene with information. At 1155 hours, IO and Det. Vonderohe met with Susan Rebecca Dewitt, DOB: 02/03/82, who was accompanied by her father, Steve Dewitt, and mother, Susan Fjeldheim. Susan Dewitt and her family were moved by IO's car to a point away from the media, at a nearby park on Fair St. near Marshall. This is a point inside the outer perimeter and just east of Columbine High School.

At 1155 hours, the interview was conducted, but was not recorded, due to the lack of equipment. Susan Dewitt stated that she had known Eric Harris after meeting him at his place of employment, the Blackjack Pizza restaurant, located near Ottawa and Pierce St. She states that she works for Great Clips (972-0535), which is in the same strip mall, and her job as receptionist involves her frequent trips to Blackjack Pizza to order and pick up pizza for the various employees at Great Clips. She got to know Eric, who works at Blackjack and discovered that they go to the same school. She stated that he seemed very nice and that they talked to each other occasionally. He somehow determined her name and began asking some of her friends at school about her and whether or not she liked him, etc. She stated that he even went into Great Clips to ask for her on a couple of occasions. He has asked a friend of her's by the name of Megan Ledsack about her and whether or not Susan liked Eric. She stated that this has all occurred since January and that she did not know him prior to that time.

S. Dewitt stated that last Friday night (04/16/99) business was slow because of the snow and she went to the pizza business to place an order and returned shortly after that to pick it up. She stated that he provided her the order, at approximately 7:30 p.m., and they talked briefly. She gave him her phone number and he indicated he would call after work. She stated that she got off at approximately 9:00 p.m. He later did, in fact, call her residence, getting her mother, Susan Fjeldheim.

Susan Fjeldheim stated that he called and identified himself as Eric and asked for Susan. She stated that he seemed very nice until she told him that Susan had gone to spend the night with a friend. She stated that his tone changed somewhat and that he seemed somewhat mad that Susan was not home to receive his call. She asked if he wanted her pager number and he took it. She recalled thinking that seemed very unusual that he would get so angry so quickly, simply because she was not at home.

Susan Dewitt then stated that Eric did page her, and indicated that the phone number was still in her pager. She checked her pager and indicated that she received the page at 9:29 on Friday night, the 16th, and was requested to call the phone number 932-8561. Following that phone number was the number 732, which she

stated she recognized as his personal code, but did not know that it was his code until talking with him on the phone. She explained that many of the kids today are using code numbers following their phone number to let people know that it is "really them." She learned upon talking to him that 732 was his code. She stated that he stated that he was home and that the 932 phone number was his personal line in his room. She indicated she was spending the night at a friend named Katie's and that they talked for about half an hour. She stated that he did not seem mad at all and seemed fine. Asked about what kinds of things they talked about, she stated that he once mentioned some kids that he used to be friends with, who he was mad at for making fun of him. She specifically mentioned Mike Dinkle, whose sister is president of the student body in their school. He stated that he had heard that Mike Dinkle was talking about him and making fun of him and so he stopped hanging around with Mike. Susan Dewitt indicated that Mike Dinkle's sister is named Heather and that her friend, Megan, is boyfriend/girlfriend with Mike Dinkle.

In response to questions, Susan Dewitt stated that she would sometimes see Eric at school, but would most often see him standing along the street where kids parked east of the school (Fair St.) smoking or talking with friends. They would say hi to each other.

Asked who Eric most often hung around with, she stated that he hung with a boy named Nathan, a senior who used to work at the McDonald's at Coal Mine and Pierce and then at Blackjack, where Eric works. She stated, however, that Nathan recently quit Blackjack's. Asked about Dylan Klebold, she stated that she did not know Dylan.

Asked about what else they talked about, she stated that they talked a little bit about computers because she was attempting to install AOL at her friend, Katie's residence. Asked if Eric seemed to know a lot about computers, she stated that he did and that when she was visiting him at his home on Saturday, he talked about making CD's from the computer.

Returning to the one half hour phone call on Friday, 04/16/99, she stated that he asked if she had plans for Saturday and they agreed that he would call her sometime in the early afternoon of Saturday, 04/17/99. He, in fact, called her later Saturday evening, at approximately 6:30 or 7:00 p.m. and asked her if she wanted to come to his residence and watch a movie. She agreed, arriving at approximately 7:00 p.m. She indicated that he only lived approximately five minutes from her and that she drove herself to his residence. She stated that his parents had just left and he indicated that they were going out to dinner for their anniversary. He was home alone. She stated that they watched the movie, titled, "Event Horizon" and Eric indicated that this was one of his favorite movies. She stated that it was about demons and a haunted ship. She indicated she could not give us Eric's address,

but that he had given her directions for her to go to his house. She described it as a nice house with blue trim and grey stone, three-story and very large with a two-car garage. She stated that when she arrived, she glanced around and noticed Eric's black trench coat laying on the stairs. She stated that she sees him in it outside of the school, but not in school. She stated that he was acting "normal," sitting around. He asked if she wanted to go downstairs and watch the movie and they, in fact, did move to the downstairs area. They watched the movie straight through with no interruptions or phone calls and the movie ended at approximately 9:30 or 9:40 p.m. After the movie was over, they talked briefly, and the only time he left was to let the dog out and return and let the dog in and return. We talked about other movies and made "small talk." She stated that he mentioned Mike Dinkle again and that he seemed "hurt" rather than angry about hearing that Dinkle had talked about him and made fun of him. He described Dinkle as being a "jerk" that he did not like anymore. He did not make any threats towards Dinkle, however.

She stated that his parents returned home at approximately 10:00 or 10:30 p.m. and that his mother, and then father, came downstairs. They talked for about five minutes and seemed nice. Eric's mother shook her hand and Eric's father indicated that he got his hair cut at the Great Clips where she worked. They then went upstairs and Eric asked her if she wanted to listen to some music. They went into his bedroom, which was downstairs, and just off of the room where they were watching the movie. She stated that his room had posters of bands and one of Jenny McCarthy. She noted that he had a lot of C.D.'s and that he made them off of the computer. Asked about the type of music that he was listening to, she stated that some of the music was "soft and flowing," such as Enya(sp?), but stated that some of the music had "anger expressed." She stated that it was yelling and screaming. She stated that she did not believe it was in any foreign languages or that profanity was used, but that there was lots of banging. He described this as some of his favorites. She stated that she was not familiar with any of the music of this nature. In response to questions, she stated that the playing of this music did not seem to upset him.

She indicated that she saw soccer jersey's hanging in his room and asked if he played soccer. He stated that he did, until recently, but had dropped out. She asked if he played for Columbine High School and he stated, no and stated it in such a way that was somewhat exaggerated, but very definite that he had not played for the school. She stated that they continued to sit on his bed listening to music. She looked around his room and recalled seeing concert and movie ticket stubs stapled around his window. She stated that she did not see anything in his room that she considered "suspicious." She stated that he received no phone calls during this time. At one point, she asked him for an aspirin and he left the room to look for one for her because she had a headache. Then, her sister paged her, which meant "get home." She

indicated that he made no effort to get up or to encourage her to leave, however. She told him eventually that she needed to go home so she wouldn't get in trouble. She stated that the page came at approximately 10:30 and that she did not leave for approximately 30 more minutes.

Asked if he had initiated any type of intimate contact with her, she stated that he put his arm around her once, but did not kiss her except to kiss her on the cheek when she left, as a way of saying goodbye. He mentioned to her that she could go out and warm her car up and come back in until it was warm, but she stated that she better get home so she did not get in trouble.

On Sunday, 04/18/99, she stated that she was working at Great Clips and Eric's father came in and said hello to her, calling her by name. She stated that he seemed very happy.

In response to questions, she stated that Eric and his parents seemed to get along very well together.

She did not receive any calls from Eric on Sunday. She saw him on Monday while walking to her car from school at approximately 10:15 a.m. She stated that she looked over and saw him and another boy that she did not know and that they waved. He walked over to talk to her while the other boy waited a short distance away. She asked him what he was doing and he stated that he was ditching class. She stated that they talked for about five minutes and that he seemed like something was bothering him. She described the other boy as being tall, with ear length, curly brown hair, and a black trench coat. She stated that she did not know who he was, but that he might be named "Nate." She could not recall any facial hair and could not recall the color of his pants or shirt. She stated that she had to go and turned to walk away. She turned around a short distance later to look back, but could not see him anywhere. She stated that he always seemed to do this, indicating that as she would walk away, she would turn and he would disappear. She stated that this was the last time that she saw Eric.

In response to questions, she stated that it was her habit to go home for lunch and return to the school at approximately 11:45, and that Eric was aware of this because she would frequently see him while walking to her car to leave for lunch.

In response to questions, she stated that she did not know Dylan, but had heard of the "Trench Coat Mafia" around school. She thought that there were "a lot of them" and had two of them in a class last semester. However, she stated that she rarely saw Eric hanging with them in a large group, only seeing him with one or two of them at a time. She stated that he seemed to dress normal sometimes, as well.

She repeated that they met in January and could not recall

ever seeing him before January around school, but then stated that she thought she had a computer class with him.

In response to questions, she stated that she did not recall seeing a computer in Eric's room or in his home. She did not recall seeing guns or anything related to explosive devices.

Asked if she knew anyone by the name of [redacted] she stated that she knew a [redacted] from school and thought that he was a senior, but did not believe he was a "Trench Coat Mafia" person, but might hang with them. She described him as being 5'9" or 5'10", heavy set, with dark brown hair cut in a "bowl" cut and very straight. She stated that she saw [redacted] on the news Tuesday, 04/20/99, standing around near Fair and Marshall, wearing a striped shirt (horizontal stripes). She stated that [redacted] had "hatred towards everyone" and would frequently make comments in class about people and was "not nice." She was unaware of any nicknames that he might have. She stated that he would frequently disrupt the class about something that someone in the class might say, making fun of them or belittling them. She stated that [redacted] was friends with another boy, who always wore a black trench coat, had dark curly hair down to his shoulders and was very tall. She stated that this boy had acne and body odor and wore black all of the time. She stated that she did not know his name.

Asked about her time spent inside of Eric's bedroom and whether or not she had observed any Nazi or Hitler type items, she stated that she wasn't absolutely sure, but thought that he might have had a Hitler picture above his bed. She did not recall seeing any tatoos or other markings on his body.

Asked about videos that he made, she stated that she was once in their computer tech lab and saw Eric and two other boys intently watching a video as she walked by. She recalled that the video depicted boys Eric's age, wearing Army camouflage type clothing and black bandanna's around their hair, running with guns in a field. She was unsure as to who the boys were and was unsure whether Eric was in the video. She stated that she saw this video about two weeks ago and had not discussed it with Eric. She stated that they seemed to be very much "into it" as she walked by. She again stated that the people in the video seemed to be running with some type of guns and that she heard what sounded like fireworks going off. She assumed that they were preparing a video for the "Friday showing," when individuals who make their own videos have them run on the closed circuit television system in the school, prior to announcements. She stated that she thinks she has seen Eric on other videos during the Friday announcements in the past, but was not sure.

In response to questions, she stated that he did not express any thoughts on political views with the government and did not make any remarks about jocks or blacks.

Asked again about her brief conversation on Monday, 04/19/99, with Eric at school, she stated that he seemed as though he was not concentrating on things and was anxious and irritated, as though something was disturbing him. She noted this in only a five minute conversation. She stated that the other guy was smoking and waiting for him, but did not speak to Eric or hurry him.

In response to questions, she stated that he never in any way warned her about going to school on Monday and that on Saturday night had offered to make her copies of a C.D.

Asked if Eric owned a vehicle, she stated that he drove a grey Honda, 4-door, an older model, but that she had never been in it. She stated that she saw it at his work, parked behind the building when he was working.

Asked about friends of her who might know any of the Trench Coat Mafia individuals, she stated that a girl in her third period choir class, Pauline Colby, used to hang with the Trench Coat Mafia, but quit hanging around with them because their "attitude scared her." She indicated that she had no further information to provide. The interview was concluded at 1300 hours.

Upon returning to the command center, Det. Vonderohe and IO were requested to meet with District Attorney Investigator Mike Gallagher at the Jefferson County Sheriff's Department in order to interview Robin Anderson, who was coming forward to provide information in regards to the purchase of weapons for and/or with Eric Harris and Dylan Klebold at a gun show in Denver in December of 1998. IO observed this interview, conducted by Det. Vonderohe and Inv. Gallagher. See Det. Vonderohe's report for further information.

During the course of observing the interview by Det. Vonderohe, IO received a message from a sheriff's department employee indicating that a phone call had been placed to the sheriff's office from Kathy Englert of the Colorado Springs Police Department in reference to information being provided to them by a party named Eric Kruger. Contact information was provided for E. Kruger. After contacting the command post, it was agreed that IO would follow up on this information.

At 1856 hours, IO paged and spoke with Eric Kruger, DOB: 12/18/74, of 3311 N. Virginia, Colorado Springs, CO. Kruger indicated that he has been hearing a lot about the shootings and watching the T.V. She stated that she was aware that one of their friends names was David L. Smith. He stated that he checked the membership directory for AOL and found a David L. Smith, who identified himself as being from Littleton and being in the Trench Coat Mafia. This female also talked about Wayne, shooter, Eric Harris' older brother, and stated that Eric had stolen his brother's credit card to make Internet account purchases.

Eric Kruger also stated that he had a friend named Jim Carey, from Colorado Springs, who was in Denver on the day of the shooting and went to the area of the school with a videotape camera and did interviews with several kids and then provided the tape to KKTV11 in Colorado Springs. He stated that on this tape, which Eric had seen, was one boy talking about seeing the shooters in possession of an "H & K" and a "Mac 10."

Eric Kruger also stated that he saw screen names being broadcast on television with reference to the shooters and that one of the screen names was "intoxicated" or something to that effect. On 05-17-99 at about 1145 hrs., this Investigator telephoned:

BURNS, LESLIE RYAN
DOB: 07-15-81
5411 S. Garland Way
Littleton, CO 80123
(303) 979-8280

In regards to 5th hour, Burns indicated she has both lunches off. She left after the class at 1110 hrs. She was waiting for a friend for about five minutes. Burns identified the friend as:

LAGOS, ATHENA
(303) 979-2705

Lagos never showed up as she was in the Library. Lagos later told Burns she was sitting in the library when the gunmen came in. Nielsen came in before them. Lagos related the gunmen said at one point, the bomb was not working that he had in his hand. They also indicated they had to go get some more.

Burns was waiting for Lagos at the top of the stairs, just down from the library. Burns indicated she did not hear anything suspicious. Burns went downstairs to her car, which was parked in space #21. This is the parking space closest to the school.

When Burns left, she did not know that anything was wrong. After arriving home, she was subsequently contacted by her dad. He called at about 1215 hrs. Her dad told her to turn on the news. Burns indicated her parking space is located outside to the right of the doors.

This Investigator asked if she knew Eric Harris or Dylan Klebold? Burns indicated she knew Klebold slightly. Her mom use to baby sit for Klebold when they were in the 4th and 5th grades.

Burns indicated the trench coat group is not a big thing at school. She did not even know that Harris and Klebold were part of the group. This Investigator asked Burns if she went to After Prom? She indicated she did, however, she does not remember if Harris or Klebold were there. Burns was at the After Prom from about 0030 hrs. to about 0400 hrs.

Of the two suspects, Burns indicated she knows Klebold better. Burns related she is surprised that Klebold did something like this. Per Burns, Klebold was a follower. Burns also related she had no idea they were involved with explosives.

Burns thinks there must have been something wrong with Harris. The morning she got up early to pick her parking space, both Harris and Klebold were there. Burns got to the school at about 0200 hrs. They arrived after her. Burns said they seemed really nice then. This occurred at the end of their junior year.

It is unknown to Burns why Harris and Klebold picked the parking spaces they did. No further information was obtained.

AGENCY REPORTS:
LITTLETON POLICE DEPARTMENT:
BACA, D. A.

SUPPLEMENTAL REPORT BY DETECTIVE JACKSON:

On April 20, 1999 at approximately 11:49 hours to respond to Pierce Street and Leawood Street on an assist to Jefferson County S.O. on a critical incident at Columbine High School.

On arrival I assisted with postings and other functions at the command post. As students and teachers were able to exit the building, I assisted with interviewing these subjects and collected written statements from these subjects. These statements were subsequently turned over to Jeffco.

I spoke to several school personnel who gave possible associate names of David Caravan, who was expelled from the school around October or November of 1998, and Eric Dutro, who is not currently a student at Columbine High School.

One of the involved students, Adam Hancey, did also advise me that a John Savage had been involved with the Trenchcoat Mafia Gang in the past, and would know a lot about them, but didn't seem to be closely associated with them this year, and hadn't been seen by him wearing a trenchcoat this school year.

I was also advised that the following people were reportedly in the office area of the school at the time of the incident, I did not personally contact any of these victims: Kiki Leyba, Sidney Keating, Jan Fielder, Chris Mikesell, Peter Horvath, Frank D'Angelo, Nona Madden, Darlene Mesch, and Judy Grecko.

I was advised that I would be assigned to a lab team for the school, and remained on standby until approximately 2230 hours, when I was released for the night.

He further advised IO that his mother was unable to be present during this interview as previously requested by IO.

black trench coat and, in fact, has never owned a black trench coat.

David Caravan stated that he had heard of the "Trench Coat Mafia" at Columbine High School prior to April 20, 1999, but knew it as only a small group of kids with no more than eight in this group. He stated that he was aware that they were into listening to hard music, specifically, hard rock German music. He further stated that they were a clique into themselves and one reason was because the jocks were in control of the high school. He further stated that he had a short conversation with one or two female associates of the "Trench Coat Mafia" group, but does not know the females' names. IO asked him if he recognized the name of [redacted] with him stating that name sounded familiar, but he was not sure if he knew this individual. He further stated that he knew Robin Anderson by being familiar with her boyfriend whom he identified as Patrick McDuffee. He stated that other than that, he had no further acquaintanceship with Robin Anderson.

In asking David Caravan what his activities were on April 20, 1999, he stated that he had ridden his bicycle to the King Soopers grocery store at Coal Mine Center, 6760 S. Pierce St. He stated that after shopping at King Soopers, he saw a friend of his at the Burger King restaurant located at 6797 W. Ottawa Ave. He identified this friend as being Jonathan Schlott, home telephone number 303-973-8119. He stated that while at Burger King, they saw some cop cars drive by very fast towards Columbine High School and assumed that something out of the ordinary was taking place there. He stated that he then got on his bicycle and came home, at which time he saw the events develop on T.V. at Columbine High School. He stated that the rest of the afternoon, he stayed at home and watched the tragedy unfold on T.V. at Columbine High School. He stated that on this day, he was wearing a black t-shirt and black colored shorts.

In discussing the alleged threat that he made the previous school year, against Ramona Madden at Columbine High School, David Caravan stated that he was attempting to get his yearbook fee money back since he never received a yearbook. Upon asking him why he wanted the money so badly, he stated that he needed the money either to purchase C.D.'s or to spend on his guitar, but he knew that if the money was sent to his parents, that they would keep it instead of giving it to him. He further stated that he made a "stupid threat" when he told Ramona Madden and her aide, to watch their backs or something similar to that phrase. He admitted that he did get suspended from school for making that threatening statement.

Upon asking David Caravan if he knew of anyone who else might be involved in the tragedy at Columbine High School, he stated that he could not think of anyone else, even though he has talked to his friends who used to go to Columbine High School, or who presently

He further stated that he has also been arrested for driving without a driver's license, shoplifting, and possibly one or two curfew violations.

Upon being asked when he last spoke with Eric Harris, he stated that it was several weeks before he (Caravan) was expelled from Columbine High School, which would have been either in January or February of 1999. He further denied ever communicating with Eric Harris or Dylan Klebold, nor any "Trench Coat Mafia" member by using the computer or Internet system. He further stated that he personally does not have a computer. IO then asked David Caravan if he had any guns or if there were any guns accessible within their residence, with him stating that there were no guns in his house, not even a BB gun. He stated that the only weapon he does have in the house is a "bladed staff" which he described as a long pole with a blade at the end of it.

IO then questioned David Caravan regarding his brother, with him identifying his brother as being Michael Jonathan Caravan, age 11, who was born in August of 1987. He stated that his brother was attending Dutch Creek Elementary School, but this coming fall will be attending Ken Caryl Junior High School. INVESTIGATION:

On 05-26-99, between the hours of 1220 and 1237, I had an opportunity to speak with Jeremy Caruso in reference to the Columbine High School incident that occurred on 04-20-99.

Jeremy told me he arrived at Columbine High School on 04-20-99, at about 0820 hours, and the only class he attended that day was his second hour video class taught by Mr. Talocco. Once he reached the school, he told me he parked his vehicle in the Senior parking lot space #153, and he entered the school through the south entrance, which is also known as Rebel Corner, and proceeded to class. Jeremy was asked if he observed anything out of the ordinary while he was in the Senior parking lot, and he was asked if he saw either Eric Harris or Dylan Klebold. He stated he didn't see anything out of the ordinary, and did not see Klebold or Harris.

At about 0930 hours, Jeremy was released from his second hour video class, at which time he told me he left campus with Chris Jones, and they went to Nick Zupancic's home. I asked Jeremy if he drove his car to Nick's house. He said he did not, that his younger brother took his car, and he caught a ride with Chris Jones to Nick's house.

Jeremy went on to tell me that prior to arriving at school on 04-20-99, he has a bowling class in the morning, which runs between 0630 and 0715 hours, and is at Belleview Lanes located at South Federal Boulevard and West Belleview Avenue. Jeremy also

told me that other members of that bowling league include Harris and Klebold. He told me on Monday, 04-19-99, that his team bowled Harris, Klebold, Dustin Gorton, and another individual by the name of "Nate" (through this investigation, this would be Nate Dykeman). Jeremy said on 04-20-99, the only individual he saw from Harris and Klebold's team was Chris Morris. At the completion of my interview, I verified that Jeremy had left school prior to the incident, and he did not observe anything out of the ordinary, nor did he see any gunmen while at school.

CHLUMSKY, KIMBERLY

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 5/12/99

On 5/12/99, Kimberley Chlumsky, DOB 6/18/82, 6516 South Saulsbury Court, Littleton, Colorado, was advised of the identity of the interviewing Agent, and the nature and purpose of the interview. She was interviewed in the presence of her Mother, Laura Chlumsky, DOB 12/6/54. She provided the following information.

On 4/20/99, Kimberley arrived at the Columbine High School, at approximately 7:15 a.m., and reported to her normal classes. Her last class prior to first period lunch was studio art. She went directly to the cafeteria with her friend Marcie Visnic. They initially sat at table R or possibly W. Instead of eating lunch in the cafeteria, they decided to drive to Marcie's house. When they exited the school, they exited on the south side of the cafeteria and walked to the junior parking lot. They didn't take note of anyone in the parking lot at the time. They left the school and went to Marcie's before the shooting incident commenced. After they ate lunch at Marcie's, they attempted to drive back to school, but the roads were all blocked off by law enforcement. As they drove back in the vicinity of Kimberley's house, they observed Brooks Brown enter a sport utility vehicle, possibly blue in color, in the vicinity of Hoover and Teller Avenues in Littleton, only about 4-5 blocks from Columbine High School. Kimberley knew this to be Brooks Brown, because he is in a world history class with her. They then went back to Kimberley's house, and watched the news coverage on television.

At no time did Kimberley see anyone carrying duffel bags or packages that stood out in her mind, or that seemed out of the ordinary. She had seen Klebold and Harris as well as other Trench Coat Mafia (TCM) members/associates around school, but didn't know or socialize with any of them. She doesn't recall seeing either Klebold or Harris around school on either Monday or Tuesday. She also doesn't recall seeing any other TCM members around school on Monday or Tuesday, however she also added that she doesn't pay much attention to TCM members to begin with.

Kimberley has never heard of other suspects, gun buying or bomb making either before or after the shooting. She does use the Internet, but does not have a screen name or ICQ account number.

On 5/25/99 I contacted CHS student Jason Christian at his home phone number of 303-972-9415. Jason is 18 years old, and agreed to speak with me about the CHS shooting.

Jason is on the "A" lunch schedule. He confirmed that he is an A lunch student, but usually leaves the school for lunch. He stated on 4/20/99 he left the school with his girlfriend Emily Haggner. They left together through the front doors by the administration around 11:15am, and went to SW Plaza for lunch. Jason did not see anyone carrying a large duffle bag, or anything suspicious or odd outside the school at this time. He and Emily left the school in Emily's car. They did not hear anything about the shooting until they were returning around 11:50am. They saw some students at Bowles and Wadsworth who told them what was going on. Jason or Emilly did not return to CHS.

Jason had no further information on the shootings.

Eric Christner
6535 W. Hoover Pl.
Littleton, CO., 80127
303/798-8746

CHS student, friend of [redacted] acquainted with Harris and Klebold.

On May 24, 1999, this investigator met with Eric Christner at his residence. Present during the interview was his mother, Jan Christner.

Eric advised that on the day of the incident, he and another student, Josh Swanson had left the school and were at Josh's residence from about 11:15 a.m. until some thirty minutes later when they returned to the area and observed Nate Dykeman at Woodmar Park. He said they did not know what had occurred at the school until they heard about it on the radio.

Eric stated that he knew both Eric Harris and Dylan Klebold. He said that he first met Harris while they had been in the same German class. He advised that he, Harris, and Klebold all attended the early hour bowling class. Asked if he knew whether or not Klebold and Harris had been in that bowling class on April 20th, he replied that he thought they had been there but now was not so sure. He

stated that a person by the name of Carrie Savey might have a better memory of that. Eric stated that Harris was a very intelligent person who liked working with computers. He said Harris liked German "industrial " music and American "techno-music." He described Harris as a person who was nice, polite, and quiet, and who did not talk very much. He was aware that Harris had worked at the Blackjack Pizza and commented that he and Nate Dykeman would often go there and have lunch with Harris. He explained that he was more of a friend to Dykeman than to Harris but because Dykeman was friends with Harris and Klebold, he would often be in all of their company. He knew that Harris' group of friends included Dykeman as well as Chris Morris, Robert Perry, Brian Sargent, Zach Heckler, and Dustin Gorton.

Regarding Dylan Klebold, Eric Christner advised that he met him when they were both in the tenth grade and since then, had several classes together. He stated that they would often play the card game of Spades while in the cafeteria. He said Klebold was a good student but not as good a student as Harris. He stated that Klebold liked to talk about baseball and music and they shared those common interests. He said that Klebold was sometimes rebellious in that he did not agree with some rules, such as the school smoking policy. He advised that Klebold would sit in his own car in the parking lot and smoke rather than smoke in the school's designated area. He recalled that Klebold had once been suspended over somrthing to do with the school's computers - he could not remember what that was about. He believed that both Harris and Klebold were trying to "get along," but they did not seem to fit in and would ignore students they did not like.

Eric Christner advised that he had heard of no rumors relating to the incident and that this had been a total surprise.

Mrs. Christner advised that Eric's younger brother, Mark had been at school that day. This investigator spoke to him briefly and was advised that he had been outside of the west door of the cafeteria when the shooting began. He stated he heard what sounded

like firecrackers and saw three students fall to the ground. He said he was with his friends, Will Beck, James Stewart, and Kyle Bramlett and thought Will Beck told him that he had seen the person shooting a gun.

Mark was interviewed by Officer Mike Felsoci, see CN 2190.

Investigation continues.

INTERVIEWERS: Agent RICHARD K. GRIFFITH and Agent RICKEY S. MUNDINE, Colorado Bureau of Investigation, 690 Kipling Street, Suite 4000, Denver, CO 80215, phone: 303-239-4211.

OTHERS PRESENT: RAYMOND COLBY (father)

DATE/TIME OF INTERVIEW: April 21, 1999, 1:30 p.m.

PLACE of INTERVIEW: 6593 South Salsbury Court, Littleton, CO 80123

With the permission of COLBY's father, RAYMOND COLBY, a witness interview was conducted concerning COLBY's knowledge of the shooting and bombing incident at Columbine High School on April 20, 1999 at approximately 11:15 a.m. COLBY advised on April 20, 1999, she was not feeling well and had an earache. She telephoned her father and he came to the school and drove her to their residence. According to COLBY, her father signed her out of the school at 11:11 a.m.. She did not hear of the incident until later in the day.

COLBY's association with the Trench Coat Mafia (TCM) was only as an associate in that she knew most of the females that associated with the group. She first met NICOLE MARKHAM in Junior High School while they were attending Ken Caryl Middle School. She advised MARKHAM was CRIS MORRIS's girlfriend. COLBY advised she first met KRISTEN THEIBAULT approximately two years ago when they were freshman at Columbine High School. She advised she met other members of the TCM through MARKHAM and THEIBAULT and stated the group was already formed and had been for approximately two years before she met them. She advised MORRIS was the leader of the TCM. She also had met ERIC HARRIS and DYLAN KLEBOLD in the past, but rarely talked with them. She said she had not talked with either of them for the past one and a half years. However, COLBY stated she talked with the girls who associated with the TCM everyday at school and rarely talked with the males in the group. No one had ever mentioned an event like this occurring or had COLBY ever heard a member or associate of the TCM planning this type of action.

In the past, COLBY had seen MORRIS at school with a hunting knife in his possession. She had never seen firearms in the possession of any TCM member to include HARRIS or KLEBOLD. However, she stated the male members of the group would spare with each other using bamboo martial arts sticks. COLBY never heard HARRIS; KLEBOLD or any other members of the TCM discussing the manufacturing of pipe bombs.

COLBY advised the group was allegedly formed by a group of friends because the athletes in the school and others would harass members of the group and this way they could stick together. The group did not like the athletes because in their opinion the "jocks ruled the school." The athletes and other would tease the group because of their dress and customs. COLBY never heard HARRIS or KLEBOLD using racial slurs nor were they into the neo-Nazi movement to the best of her knowledge. She did stated that sometimes HARRIS and KLEBOLD would speak German to each other, which was their way of making the other students pay attention to them.

COLBY advised she does have access to a computer at her residence, but she never communicated with the group over the computer (not on-line), she only used the computer for schoolwork or to play games.

Earlier today COLBY had spoken with MARKHAM and she advised that MORRIS was in hiding from the police and new media. MARKHAM stated he was hiding due to the harassment from the police and media.

COLBY stated she never imagined anything like this happening and did not think any student was capable of doing this. She believes that occurred due to the constant harassment and teasing the group was receiving from other students in the school. COLBY could provide no further information relevant to this investigation.

COLBY's father was provided with a means of re-contacting the interviewers if his daughter remembers any additional information at a later date. The interview was terminated at 2:30 p.m., April 21, 1999.

Interview: James Concilio DOB/112880
Address: 7691 S. Depew Way, Littleton, CO 80123
Home phone 303-978-1141
Senior at Columbine High School

James Concilio was interviewed on 05-26-99 by Inv Jill Reuteler (7394), Colorado State Patrol, at approx. 43 15pm by telephone at his residence

Mr Concilio said that 04-20-99 he had bowling first thing in the morning. He said that he knew both Eric Harris and Dylan Klebold and that they had bowling in the morning also. Concilio said that his team consisted of himself, James Bisgard, Jeff Marquardt, and Ryan Pool. He said that Harris and Klebold's team had Nate Dykeman and Chris Morris. Concilio said that Harris' team bowled a few lanes down from his team on 04-20-99 Concilio said that he recalls seeing Eric Harris in bowling class and he was wearing a flannel shirt and jeans. Concilio said that Klebold was not there, and he can't remember whether Dykeman or Morris were there.

Concilio said that he arrived at school between 8 15 - 8 30am, and he drove his car, a red Honda Prelude, Colorado license plate GBV8997 and parked it in the senior parking lot in space 9 Concilio said that it was pretty much a normal day He said that he had Weights class during Fourth Hour and at the end of class, he left the school. He said that he left between 11 10 and 11 15am and went to his house to get ready for work.

Concilio said that he left for work around 11 45am and was trying to go north on Pierce and at Coal Mine he was stopped by the roadblock He said that as he tried to go around, a girl named Jennifer Laplante told him not to go back to school because there were guys with guns there

Concilio said that he kept seeing all the police cars while on his way to work. He said that he worked Express, a clothes store at Southwest Plaza, as a stock boy, however he currently is not employed

Concilio said he arrived to work around 12 15pm. He said that he called his girlfriend in Fort Collins from the parking lot and then talked to his dad, who had heard about the shooting on the radio Concilio said he went to work, and was having a hard time concentrating and when the manager asked him a second time if he wanted to leave, he went home.

After Concilio arrived home, he said he went across the street to Mike (Michael) Paavilainen's house He said that Mike wasn't home, but his sisters were and they were upset because they didn't know where Mike was, however around 2:00pm, Mike called to say he was okay and that he had left school to take his tux back Concilio said he went home. Concilio said that Renee Paavilainen was in the cafeteria when the shooting started.

Concilio said that he had known Harris and Klebold throughout high school I asked him if they were friends, and he said no, just had them in classes I asked him who else Harris and Klebold hung around with and he said Brooks Brown and Robyn Anderson.

Concilio said that the graduating class picture was taken around February or March, and the picture was taken twice, the first time was the formal pose, like the picture that was printed in the Rocky Mountain News, the second time was the informal pose, where the kids could clown around and hug each other, or put the bunny ears behind someone's head Concilio said that the informal picture was available for purchase by the students and his friend who had purchased one had pointed out that Harris, Klebold, Brooks Brown and Robyn Anderson had made hand signs like they were guns pointing at the camera.

Jill E Reuteler

Concilio said that Robyn Anderson had been in an accounting class that he had. He said she was just kind of different, not that she had to dress different or act different, more like she wasn't quite all there. He said that he knew Brooks Brown, but he and Brooks really didn't get along ok so he just kept away from him.

Concilio said that he had different friends say that Harris and Klebold were in their respective Third Hour classes, but he couldn't remember who those friends were. He said that in the classes they had with him, they didn't always wear their trench coats all the time. I asked Concilio who else did Harris and Klebold hang around with and he said Morris and Dykeman, Joe Stair, and Robert Perry. Concilio said that he used to work with Joe Stair at Pizza Hut.

He said that he probably left Pizza Hut in February 1998 and worked there for around eight months. Concilio said that Joe Stair worked there. I asked him to describe Joe and he said that he was an interesting person, very outspoken and not shy about saying what he felt Concilio said that Joe liked mortal combat video games, Concilio described the games as gruesome and violent. Concilio said that Joe seemed friendly and would laugh and make jokes, but there was something about him that would 'make you cringe'

James Concilio could not think of anything thing else that he thought might be important, so the interview was concluded

Concilio, James
DOB: 112880
7691 S. Depew Way
Littleton, Co. 80128
Ph# 303-978-1411

James advised the following:

That James was aware that a Second Senior class picture was taken, sometime after January of 1999, which displayed Eric Harris, Dylan Klebold, Brooks Brown, and Robin Anderson posing like they were shooting.

That the aforementioned picture was displayed in the yearbook, although it could be ordered by The students.

That when James saw the picture, he was very disturbed by it as he feels that it conflicts with the information that Brooks Brown is reporting to the media.

This Investigator is aware that the CHS Task Force has obtained the aforementioned picture.

She could not remember what type of clothing Harris wore to the party. Deborah Conn said at this party, the party attendees were drinking alcoholic beverages, however, she said there were no drugs involved that she was aware of.

Deborah Conn said she believed Eric Harris went to the party at Robyn Anderson's house by himself. She said she saw him playing a video game at this party and said the video game was an Army type game, where a helicopter would rescue people, and she said the player was supposed to shoot people that would come up on the screen.

Deborah Conn said in August of 1998, she had a class at Columbine High School, Government Economics, and said Dylan Klebold was in this class as well. She said Robyn Anderson was also in the class and sat with Dylan Klebold. Narrative: Re: Control #1436

On 04-28-1999, contact was made with Breanne Cook at her residence at 11944 W. Stanford Dr., #303-948-2129. She noted being a Junior at CHS.

On 04-17-1999, she had left school after 2nd period, approximately 0920, and left the school grounds to pick up a friend, Cayley Boile (9555 W. Lake Pl., #303-933-6175) and bring her to CHS for lunch. Boile is a former student who only recently left CHS to attend Warren Tech.

As Cook returned to the area of CHS, she had been turned away by JCSO deputies, and told that a bomb had been found at the school. She had driven around the neighborhood attempting to get to the school another way. She arrived in the area of the school, and parked when she heard what she described as gunshots coming from the area of the school. She and Boile exited her vehicle and walked to the area of Clements Park, where they observed students running into the park. She eventually ended up at the Jefferson County library where she met with other students. While at the library, she had occasion to see Pauline and Jennifer Colby, together with 2 other females (NFI) walking with a known associate of the suspects. She had shared this information with an aide working at the school, Patty Stevens, and this associate was eventually identified as Robert Perry. Cook relates having seen Perry, within the last 1-2 months, at CHS with both Harris and Klebold. Cook also relates seeing Alejandra Marsh at the library defending the suspects, telling students they shouldn't be making fun of people. She reports later confronting Marsh at a memorial near the school where she was defending the suspect's actions.

Contact was also made with Boile, who reports that a friend of hers, Russell Agnew (7629 So. Fenton St., #303-973-5057) was heard to say to other students that he had identified one of the gunmen observed near the library in the school as being [redacted]

Boile also related that another friend, Leanna Belk, a student at BCHS, had information relative to an individual how had been at CHS and had seen in gunmen enter the school.

OBSERVATION / INVESTIGATION:

On June 1, 1999 I was assigned an interview with Columbine High School student, Jason Cornelies. On June 1st I contacted Tammy Ibsen, Jason's mother, and made an appointment for an interview for 1500 on June 2, 1999.

On June 2nd I arrived at 6342 West Maplewood Drive and contacted Jason Cornelies. Jason confirmed that he had attended Columbine High School and had been in the twelfth grade, he had graduated last month.

Jason continued to say that he had been in school on April 20, 1999. Jason said that he had not been in the cafeteria at all during the morning of April 20th. He advised that he had lunch from approximately 11:00AM to 12:00PM. Jason continued to say that he had left the building and went to lunch at the McDonalds restaurant at South Pierce Street and Coal Mine Road. Jason said that he had been accompanied to lunch by the following people:

Natalie Green
Matt Mayhew
Robin Piro

Jason advised that he left the school building by way of the main entrance near the office. He advised that he had parked his car across South Pierce Street on West Fair Avenue. They then drove to the McDonalds.

Jason advised that while they were leaving the school they did not encounter either Eric Harris or Dylan Klebold nor did he notice anything unusual going on. Jason thought it was about 10:50AM when they left the

building. Jason stated that they returned to school about 11:15AM and found a large group of students gathered in Leawood Park across the street from the school, and police cars were arriving at the school. Jason said that he parked his car on West Fair Avenue, and they began talking to the students in the park and learned that there had been a shooting in the school. Jason stated that while he was standing in the park he heard shots and thought someone was shooting at the people in the park. Jason said it sounded like the shots were coming from the area of math rooms on the main level. Jason continued to say that he thought he observed a person on the school roof but he did not know if this was a shooter. Jason did not see who was doing the shooting. Jason stated that after they heard the shots he and his friends got into his car and left the area, going to his house.

Jason said that prior to going to lunch he had been in a marketing class which was located in the lower level class rooms, in the second room south of the hall between the auditorium and cafeteria. Jason also said that while walking between classes and on his way to lunch he did not observe anyone with a gun nor did he see anyone carrying a large duffel type bag.

Jason said that he has known Dylan Klebold since seventh or eight grade, though he hasn't had any contact with Dylan recently. Jason continued to say that he had a video class with Eric Harris during the first semester (fall 1998) of this school year. He advised that Eric had sat directly behind him. Jason said that outside of class he did not associate with Harris and did not talk to Harris outside of the class. Jason said that he has known about the Trench Coat Mafia since junior high school. He also advised that Harris had talked about the Trench Coat Mafia during a presentation for a class. Jason said that he presentation did not deal with the shooting but was just a general view about the group. Jason advised tha the Trench Coat Mafia was started by a group of kids that did not seem to fit in any place in school, the misfits. Jason advised that he had no confrontations with anyone involved with the group recently. He did say that when he was in the seventh grade he was involved in a fight with a possible memeber of the group, Todd Bowels, but nothing has happened since then.

Jason related that he could not believe that Dylan had been involved in such a thing and from what he knew about Dylan, Dylan did not have that sort of thing inside of him. Jason thought that Dylan had come under the influence of some outside person. Jason continued to say that he noticed that Eric Harris seemed to be very troubled inside. This was especially apparent if he was talking about the Trench Coat Mafia or his beliefs and someone would question them. He would become very angry. Jason advised that he has had no contact with Dylan since Dylan started becoming weirder. By that he meant Dylan began to wear the black trench coat, fatigue pants, boots and beret on a regular basis. Jason stated that he had not spoken with either Harris or Klebold before the shootings.

Jason advised that he had heard no rumors about the shootings occurring before April 20th, and neither had he heard any rumors about them building bombs or buying guns.

Jason advised that his sister, Tara, had been in a science class at the time of the shootings and she had not been interviewed.

As Jason could provide no further information the interview concluded at 1530.

On 06-03-99, between the hours of 0940 and 0950, I had an opportunity to speak with Christopher Cox in reference to the Columbine incident that occurred on 04-20-99. I contacted Christopher Cox to determine if he was at Columbine High School 04-20-99. Upon contacting Christopher Cox, he told me that he arrived at school on 04-20-99 at about 0725 hours. He had parked his bicycle at the main entrance to the school, proceeded into the school and attended his routine classes. Christopher Cox was released at about 1020 hours from his third period Science class taught by Mr. Peterson, at which time he told me that he walked down into the cafeteria area of the school, looking for a friend of his. After being unable to locate his friend, he told me that he left school at about 1030 hours, due to the fact that he does not have a fourth hour period, at which time he rode his bicycle home and ate lunch.

****

On 5/26/99 I contacted 17 year old CHS student Michael Croll at his home number of 303-978-9248. Mike agreed to speak with me about the shootings at CHS.

Mike acknowledged he is an "A" lunch student. On 4/20/99 he left the school with Denise Berrit through the student entrance by Rebel Corner downstairs in the cafeteria. They walked out together around 11:15am to the senior parking lot and drove away from the school in Mike's green Saturn. They did not see anything inside or outside of the school, specifically a large duffle bag or any students acting suspicious.

They attempted to return after eating at McDonalds around 11:40am. They saw several police and students around Pierce and Fair street. Mike pulled over on Fair street, across from the school to find out what was going on. There were several students in Leawood park, and some were talking about a student having a gun. Shortly after getting out of his vehicle, he heard "pop, pop", which he thought to be gunshots coming from the school. Someone in the crowd yelled "they are shooting at us" and everyone, including Mike ran further away from the school. Mike did not see anyone shooting a gun, nor does he know who yelled they were being shot at. He left the area on foot.

Mike stated that his friend, Janelle Thibault told him she saw Robert Perry walking near the public library immediately after the shootings. She told Mike she found this odd, as Robert was no longer

a student at CHS. Mike advised me he heard this directly from Janelle and does not know if she has been interviewed by an Investigator. According to Mike, Janelle was in physics class at CHS during 5th hour on 4/20/99, and was out of the school very quickly.

Mike had nothing further to add.

CONTROL #2865

On May 19, 1999 Investigator Duane Eaton of the Arvada Police Department was assigned investigative lead bearing control #2865. The information control sheet listed the source of information as Megan Minger, a junior student at Columbine High School with telephone number 303-980-0739. The information control sheet was prepared by Investigator Jim Burkhalter of the Jefferson County District Attorney's Office. The narrative portion of the form advised that Megan saw Eric Harris on top of stairs prior to shooting. Kelly Cruz, a student, told Megan that she heard a school announcement on April 20, 1999 which said, "Today's not going to be good day." The narrative portion also advised that Eric Harris is on the school staff for announcements, etc. Investigator Eaton was assigned the task of contacting Kelly Cruz and verifying the school announcement.

On Monday, May 24, 1999 at approximately 1222 hours, Investigator Eaton was able to make telephone contact with Kellye Rayann Cruz (DOB 03/02/82), 7761 South Upham Street, Littleton, Colorado, 80123, telephone 303-973-6629. Investigator Eaton advised Cruz of the reason for contacting her and requested that she allow Investigator Eaton to interview her in reference this information. Cruz agreed to an interview with Investigator Eaton.

Cruz advised Investigator Eaton that generally at the beginning of second hour each day, there are daily announcements in the school. She advised that this is at approximately 0830 hours. Cruz advised Investigator Eaton that the announcements are given via television in each classroom and that at the end of the announcements, there is a phrase printed at the bottom of the screen. She advised that this phrase is known as the "phrase of the day." On April 20, 1999 Cruz advised Investigator Eaton that she recalls the phrase of the day printed at the bottom of the screen as reading, "Today is not going to be a good day." Cruz advised Investigator Eaton that she did not think much of this phrase but thought that since it was a nice day, the phrase might mean that the weather was going to turn bad and the day would be ruined by snow or something like that. Cruz advised Investigator Eaton that because of what happened at Columbine High School on April 20, 1999, she was now concerned about the phrase of the day. She advised that it especially concerned her because Harris and Klebold to her knowledge are both members of the Rebel News Network staff and would have something to do with the announcements and the phrase of the day. Cruz advised Investigator Eaton that she has no proof that either Harris or Klebold had purposely made such an announcement for the phrase of the day or if it was purely coincidental. Cruz advised Investigator Eaton that she had no other information about this announcement.

Since Investigator Eaton was in contact with Cruz, he decided to determine her whereabouts at Columbine High School on April 20, 1999 in order to determine if she had witnessed any activities surrounding the homicides. Cruz advised Investigator Eaton that her fifth hour is her lunch period. Cruz advised Investigator Eaton that she left the school between approximately 1115 and 1117 for lunch. She advised that she walked out of the school through the cafeteria and out through the senior parking lot to her vehicle. Cruz advised Investigator Eaton that after leaving the school, she went to Einstein Bagels in the area of West Bowles Avenue and Wadsworth Boulevard. She advised that after lunch at Einstein Bagels, she attempted to return to the school but was unable to because the streets were blocked. Cruz advised Investigator Eaton that she left the area of the school after realizing she would not be able to get to the school. Cruz advised Investigator Eaton that she had no idea what was taking place until later. Cruz advised Investigator Eaton that she didn't witness any of the suspected shooters and/or explosives.

Investigator Eaton asked Cruz if she was acquainted with or socialized with Eric Harris and/or Dylan Klebold. Cruz advised Investigator Eaton that she knew both Harris and Klebold by their faces and names but not personally. Cruz advised that she had never socialized with either of the suspects. Cruz advised Investigator Eaton that she did not socialize with any of the persons associated with the Trench Coat Mafia either. Cruz advised Investigator Eaton that she was a serious student and while at school was pretty much oblivious to everything but her studies.

Cruz advised Investigator Eaton that she had nothing else to add to this interview. Investigator Eaton concluded the interview with Cruz at approximately 1240 hours.

On 05-18-99, Jennifer Davis was interviewed at her residence regarding her observations of 04-20-99. She confirmed being a Junior at Columbine High School, assigned to "A" lunch. She notes that on the Tuesday following students returning to Chatfield High School, she had occasion to be in a 7th hour language arts class with Mr. Leyba, when another student, Alex Marsh, responded to a class discussion topic about guilt, by saying she felt guilty because she should have been with Harris and Klebold on 04-20-99, and been involved in the shootings. The teacher became upset, as did other students, and she was asked not to attend class the next day, but instead see a counselor. FBI CASE NUMBER:	174A-DN-57419
GOLDEN POLICE NUMBER:	99-1362
REPORT DATE:	05/21/99
DETECTIVES:	Jon Watson

Background:
Source learned from student David DEIDEL and others that Brian SARGENT stated that Dylan KLEBOLD tried to back out prior to shootings.

Lead:
Interview David DEIDEL to determine what he heard SARGENT say about KLEBOLD.

Disposition:

SUBJECT: David T. DEIDEL
DOB: 09/04/80
6942 S. Webster Wy.
Littleton, CO 80128
(303) 971-0690

In the interest of time, DEIDEL was interviewed by telephone at his residence on May 21, 1999 about 9:30AM.

DEIDEL left Columbine High School after his 4th hour class on April 20, 1999 to go to lunch with some friends. They went off campus to "Tortilla Wraps", and were gone during the time that the shooting started.

DEIDEL said the basis for this lead comes from an incident which happened in his 3rd hour class on about the 3rd day after classes resumed, at Chatfield High School. DEIDEL had been away on a baseball trip, so even though it was the third day of classes, it was his first day back to school.

He and several other students were standing in class, talking about Eric HARRIS and Dylan KLEBOLD, and the consensus was that HARRIS was the controller; KLEBOLD was the follower.

At that time Brian SARGENT, who is also in that class, interjected a comment, "Yeah, Dylan [KLEBOLD] was going to give himself up", and when DEIDEL or another member of his group asked SARGENT how he knew that, SARGENT said, "That was just a thought that some of us had".

This is similar to a rumor that was related to me by another student as being very prevalent among the students at this time, in which HARRIS is rumored to have shot KLEBOLD because KLEBOLD didn't want to continue with the incident.

On 06-01-99, between the hours of 1035 and 1045, I had an opportunity to speak with Nichole reference to the Columbine incident that occurred on 04-20-99.

Nichole was asked if she was in the school cafeteria on 04-20-99 for lunch period "A." Nichole told me that she had left school at about 1112 hours with her friends, Courtney Moore and Jacob Carey, and they went to Einsteins' Bagels for lunch, which is located on Bowles Avenue, just east of Wadsworth and it wasn't until about 1140 when they were leaving Einsteins' that they were told by two students about the shooting.

When they attempted to return to the high school, emergency personnel would not let them return. Nichole was asked which exit she used when she left the high school for lunch. She stated that she walked out the main entrance and they went to Courtney's car, which was parked out in the teacher's parking lot.

Nichole was asked if she observed anything out of the ordinary when she left school that morning. She stated that there was nothing to lead her to believe anything was wrong. Nichole was asked if she was in the cafeteria anytime during the morning of 04-20-99. She told me that she never made it down into the cafeteria.

I asked Nichole if she knew any members of the Trench Coat Mafia, specifically Eric Harris or Dylan Klebold or possibly any of their associates. She had no information to proved reference the group.

At the completion of my interview, I verified that Nichole did not observe any gunmen after she left Columbine High School nor did she hear any gunfire or explosions.

This is a re-interview of Nicole Dickey.

Because of Nicole's statements on 05/21/99 and her account of events on 04/20/99, I re-interviewed her on 05/24/99

At the start of the interview. I explained to Nicole what could happen if she was not truthful with me in regards to what she said happened on 04/20/99 at Columbine

Nicole said she was telling me the truth as to what she saw and heard on May 20th.

Nicole said she arrived at Columbine at about 7.00 A.M. on the 20th

She said she has "A" lunch at 11.10. Her third hour class was at 10:15 and she did not have a forth hour class.

She said she left the school on the north side to go to the smokers pit at 10:45

When she looked north towards Clement park. she saw two people dressed in black trench coats and black pants. She said both were wearing black ski masks when she first noticed them As she watched them from a distance of about thirty yards, they removed the ski masks and placed them on the table. She recognized them as Eric Harris and Dylan Klebold. Both of them were standing under the blue gazebo north east of the school. Next to one of them was a large three foot long green duffel bag. She said she started to walk over and talk to them.

Nicole said when they noticed her they raised pistols and fired two shots at her One of the shots hit the grass next to her on her right. Nicole said she turned and ran towards Pierce street and never looked back.

Nicole said she knew Eric and Dylan from school, but they were not friends

At Pierce and Polk she was picked up by two friends, Brian Sargent and Frank Zigler. They then drove to Burger King for lunch. She said the three of them were going to meet for lunch.

When asked why she did not tell anyone what had happened, she said she was scared of what they might do to her

When asked why she did not tell her mother. She said: After the shooting her mother was looking for her at Leewood elementary school and could not find her. She later was able to contact her mother by telephone and tell her she was all right. Nicole said her mother was worried about her She did not tell she had been shot at because she did not want to worry her any more.

Nicole is sure of the time, and repeated 10:45.

During the interview Nicole always kept eye contact with me. Never once did she fumble for words or look around for time to think of what to say.

When told she could be called before a grand jury to testify, she never blinked once. She just said I am telling you the truth

4/20/99

It was 10:45 A.M. and I was walking to the smoker's pit to have a cigarette. I saw Dylan & Eric under a gazeebo to the N-E. of the school. All of a sudden they started to fire at me, i was so scared i ran to the corner of Pierce & Polk. I neve told anyone what happend to me.
They were wearing all black and trenchcoats and a duffel bag was sitting farther away

PROGRESS REPORT
CHS INCIDENT/CONTROL #3531
REPORT BY JACKLYN GEE (ACSO)

On 051999 this Investigator spoke to a student at CHS identified as:

Duff, Jason
DOB: 093081
6747 W. Arbor Dr.
Littleton, CO
Ph# 303 794-4199

Jason advised the following:

That on 042099 Jason had invited some friends from CHS over to his house for breakfast to discuss the play that they were putting on.

That by 0715 the only person that showed up was John Cohen, so Jason and John ran to the school to make sure there was no confusion and the people had gone to school to meet instead of Jason's house.

That when they couldn't find anyone at school, they returned to Jason's house and found Alejandra "Alex" Marsh there.

That at about 0735, Jason, John, and Alex walked to school (CHS) together.

That Jason does not associate with any TCM members and did not know Eric (Harris) and Dylan (Klebold) before getting involved with the play, and further advised that he did not associate with them (other than school).

That Jason did not know that Alex associated with any TCM members to include Eric and Dylan.

That Jason described Alex as "a nice girl that says weird things to boost her image".

That Alex did not say anything about the incident on 042099 to Jason before or after it occurred, although advised that Alex has been real quiet in school since it happened.

INVESTIGATION:

On 05-25-99, I spoke with Chip Dunlavy. This lead was to determine his whereabouts during fifth period as records reflect he had this period free. During the phone interview with Dunlavy, he told me he was off campus at the time of the incident. He left school at approximately 1115 hours, to go to the mall with his friend, Tim Mullen.

Dunlavy told me he had left the school by going through the commons area right by the Rebel Corner, and then out to the parking

I asked him when he went into the commons area if he had stopped to talk with anybody, and he said he had not. I asked him if he had seen anything in the commons area, and he said he had not. I then specifically asked him if he saw a duffle bag, and he stated he did not. He stated however, that most of the kids in the area did have backpacks, so he did not see anything unusual. Dunlavy then went to his vehicle, parking space #366, and left the parking lot in a 1988 Blazer, blue and silver in color. He and his friend, Tim Mullen, then went to the mall. They had found out what happened at the school when they attempted to return. They had just turned on Pierce from Bowles, when a road block was starting to be established on Pierce, so they then turned into Clement Park, and drove across the grass into the parking lot where they could get out of there. He said he could still see kids running from the school, and there were a number of kids already at the park. He said he did not hear any explosions or gunfire. I asked him if he knew the individuals involved, and he said he had known Eric Harris. He said he had almost had a fight with him about a week before this incident. He said he was walking through the parking lot, and Eric Harris almost hit him with his car. He said he confronted Eric Harris about his driving, and that he was angry at the way he almost him, and Eric Harris backed down and the fight did not occur. Dunlavy described the vehicle Eric Harris was driving as a black Mercedes or BMW with a sticker with a German slogan across the back. Dunlavy told me he did not see either Harris or Klebold on that day, and since that day, he has not heard anything that would be beneficial to law enforcement.

INVESTIGATION:

On 06-10-99, between 0900 and 0908 hours, I had an opportunity to speak with Dara Ferguson in reference to the Columbine incident that occurred on 04-20-99. Through the use of school records we had identified Dara as being scheduled for lunch eriod A, and I was contacting her to see if she was on campus when the shooting incident occurred.

Upon contacting Dara, she explained that after being released from her fourth hour marketing class taught by Ms. Frommer, that she went down into the cafeteria area and waited near the school store for her boyfriend, Scott Marshall. Dara Ferguson recalled that while she was waiting for Marshall, that she spoke with Lewis Gallepia (last name spelling unknown), who was working at the school store on the incident date. Dara said at about 1115 hours, she and her boyfriend, Marshall, exited from the school using the south exit near Rebel Corner, at which time they walked to their vehicle in junior parking lot. Dara stated they had to go to her house because she had forgotten her purse, and then they went to lunch. It wasn't until they attempted to return to school that they learned of the incident when they were stopped by emergency personnel.

Dara was asked if she had observed anything out of the ordinary while she was down in the cafeteria area waiting for Marshall, or anything out of the ordinary when they exited out into the junior parking lot. Dara said she saw nothing out of the ordinary which would have led her to believe anything was wrong that day.

Jennifer Foote advised that she did not know Dylan Klebold or Eric Harris prior to this incident and said she did not know any of the Trench Coat Mafia students or their associates. Jennifer Foote advised she believes she had seen Trench Coat Mafia students in the hallway and believed these students belonged to the Trench Coat Mafia due to the fact that they would wear all black clothing. Jennifer Foote advised she believed there were approximately ten members of the Trench Coat Mafia and said that they stick together while in the school. Jennifer Foote advised that she has not seen any students at Columbine High School harass the Trench Coat Mafia students nor has she seen the Trench Coat Mafia students harass other students at the high school.

I asked Jennifer Foote if she knew what the Rebel News Network (RNN) was and she said she did. I asked her if she knew what the "Thought of the Day" was on 04-20-99, and she said no, that the teacher she has for second period class when the "Thought of the Day" is broadcasted, usually turns the monitor off and therefore she does not know what the "Thought of the Day" was.

I asked Jennifer Foote if she had seen anyone carrying a blue duffle bag and/or a propane tank in the school or into the school prior to the school on 04-20-99, however, she said she had not seen anyone doing so. Jennifer Foote told me she has not heard of anyone else who may be manufacturing explosive devices and/or buying guns. Jennifer Foote also advised she does not know anyone at Columbine High School with a double pierced eyebrow

Jennifer Foote advised me that since the shooting on 04-20-99, she has had difficulties while thinking about the incident off and on. She said especially in the days after the incident, if she were to think about it, it would bother her and said that since she has been getting better, however. Jennifer Foote told me she has not seen a therapist and therefore, I gave her my name and phone number and advised her if she wanted to talk to a J.C.S.O. Victim Advocate in the future, to contact me and I would make the necessary arrangements for her.

On Tuesday, April 27, 1999 Investigator Duane Eaton was contacted by Denver Police Department Detective Terry Demmel with a request for assistance on an upcoming interview. Detective Demmel advised Investigator Eaton on a previous date he had interviewed Matthew Friedman (dob: 04/08/81). Detective Demmel advised Investigator Eaton that Friedman had made statements leading Detective Demmel to believe that Friedman had a very close relationship with Eric Harris, Dylan Klebold and Brooks Brown of Columbine High School. Detective Demmel requested Investigator Eaton's assistance in conducting a more in-depth interview with Friedman to determine how close a relationship he had with the homicide suspects from Columbine High School and any knowledge he might have of their activities leading up to the homicides on Tuesday, April 20, 1999. Detective Demmel advised Investigator Eaton that Friedman had advised him that Robyn Anderson had at one time been his girlfriend, that Brooks Brown was his best friend and that he knew Eric Harris and Dylan Klebold well.

Investigator Eaton and Detective Demmel met with Matt Friedman and his parents at the Friedman residence on the same day at approximately 1645 hours. Friedman advised the investigators that he had first met Dylan Klebold while in 7th grade. He advised they met on a 7thgrade school retreat. Friedman advised that he and Klebold sat with each other on the bus and became acquainted with each other. Friedman advised, however, that he had not spoken with Klebold much after that time. Friedman advised that he once again became acquainted with Klebold in his sophomore year of high school. Friedman advised he met Klebold through a common friend, David Proctor, in his sophomore year of high school. Friedman advised he hadn't spoken with Klebold much since that date, however.

Friedman advised he had been invited to the Klebold house on only one occasion. He advised that in the beginning of their junior year of high at Columbine High School Dylan Klebold had invited him over to his home. He advised that while there they played pool and watched a movie. Friedman advised the movie he and Klebold watched at the Klebold residence was a movie titled "Lost Highway " Friedman advised that the movie was a David Lynch movie. Friedman advised he brought the movie to Klebold's residence at Klebold's request. Friedman advised he was employed at that time and still is employed at Video City at 6705 W. Ken Caryl Avenue in Littleton, CO. He advised that due to the fact he was employed by a video store Klebold had requested he bring the movie "Lost Highway" over to the Klebold residence. Friedman advised the movie "Lost Highway" is a "real strange" movie. Friedman advised it was Dylan's favorite movie. Friedman advised that Klebold told him he really enjoyed the movie.

Friedman advised the investigators that David Proctor was also at the Klebold residence that date. Friedman advised the investigators that he hasn't spoken with Klebold much since that date which was over a year previous.

Detective Demmel confirmed with Friedman that Friedman had in fact left school during third period due to the fact he was not feeling well. Detective Demmel asked Friedman if he had observed anything strange at or around the school before or as he was leaving the school that date. Friedman advised he had not observed anything out of the ordinary. Friedman also advised, however, that he is in charge of the school yearbook staff. He advised that one of his staff members Courtney Shakowski had told him that she observed a person bring a large duffle bag into the cafeteria on the date of the homicides. Friedman did not elaborate on the information he had received from Shakowski.

Detective Demmel asked Friedman if Eric Harris and/or Dylan Klebold had rented videos from Friedman's employer Video City. Friedman advised the investigators that he did not remember Harris or Klebold ever renting videos from Video City. Detective Demmel asked Friedman if he had ever socialized with Eric Harris or Dylan Klebold. and assisted them in making video tapes of themselves and their activities. Friedman replied negatively. Detective Demmel asked Friedman if he had ever had Harris or Klebold over to his residence. Friedman once again replied negatively.

Friedman described his relationship with Robyn Anderson as having dated for approximately one month between their junior and senior high school years. Friedman advised there was nothing else to the relationship between himself and Anderson.

Detective Demmel asked Friedman if he had ever used Harris' or Klebold's web page and if he had ever communicated with them in computer chat rooms. Friedman advised he had not communicated with Harris or Klebold in any computer chat rooms. Friedman advised he had heard rumors around school, however, that members of the Trench Coat Mafia were into hacking into computer systems. Detective Demmel asked Friedman how many persons he believed were members of or associated with Trench Coat Mafia. Friedman advised he was unsure but believed there were approximately 10 to 15 persons claiming to be involved with Trench Coat Mafia. Friedman advised that he had been led to believe by rumors that the Trench Coat Mafia was a very formalized group. He advised he had heard rumors that they even held initiations to become members. He advised there was a lot of gossip about the school in reference Trench Coat Mafia.

Friedman did advise the investigators that in August he had attended a friend's birthday party and had seen Klebold and Harris at the party also. He advised he spoke with them, he did not

recall what the conversation pertained and he had not spoken with either subject since that party in August.

Friedman advised the investigators he had observed Zach Heckler wearing a trench coat on numerous occasions. He advised he had observed Harris and Klebold wearing trench coats only a couple of times. He advised he really didn't know that Harris and Klebold were part of or claiming to be part of Trench Coat Mafia. He advised it was his opinion that the Trench Coat Mafia was at its largest last year and was mostly led by Joe Stair. He advised that Stair wore a trench coat all the time. Friedman advised this school year most of the persons whom he had been led to believe were members of Trench Coat Mafia had dressed more normally and rarely wore their trench coats.

Detective Demmel asked Friedman if he was acquainted with [redacted] Friedman advised he was not well acquainted with [redacted] he advised he was aware that [redacted] was a part of the Trench Coat Mafia and he pretty much knew him only from sight.

Friedman was asked if he had any common classes with Klebold or Harris. Friedman advised he had a calculus class with Klebold and a history and English class with Harris. Friedman advised on one occasion he had worked on a group school project and Harris was a member of the group. Friedman advised that Klebold was always quiet in calculus class. He advised that Robyn Anderson often assisted Klebold with his calculus.

Friedman advised he had heard from a friend Kelly Brown who was also a friend of Robyn Anderson that Robyn had admitted to her to purchasing guns for Harris and Klebold. Friedman advised that Kelly Brown told him that Anderson admitted to her the previous Wednesday that she had purchased the firearms. Friedman advised that Kelly Brown and her date, Brian last name unknown, went to the senior prom with Klebold and Anderson.

Friedman made telephone contact from his residence with his employer and the owner of Video City, Dianna Compton (dob: 06/08/63) Friedman advised the investigators that Compton advised him that Eric Harris had a membership at Video City.

Friedman had no other information to add to this interview and the interview was concluded at 1715 hours.

On this same date at approximately 1730 hours, Detective Demmel and Investigator Eaton responded to the Video City store and were able to make contact with owner Dianna Compton. Compton advised the investigators that Eric Harris' father, Wayne Harris, had become a member of Video City on February 13, 1999. Compton advised that on that date Wayne Harris rented a movie titled "The Truman Show." She advised he rented the movie on the date he signed up for the membership. Compton retrieved the rental receipt

from her records and confirmed that Wayne Harris had signed the rental agreement on that date. Compton also advised that on April 13, 1999 Wayne Harris had rented the movie titled "Taxi Driver." She advised once again Wayne Harris had signed the rental agreement. Compton advised she had been unable to locate any other rentals from the Harris family and thus no rentals by Eric Harris. Compton also checked her membership roster but was unable to locate any information leading her to believe that the Klebold family was a member of Video City. The investigators did not seize the previously mentioned receipts.

The investigators concluded the interview with Compton at approximately 1745 hours.

I asked Melissa Fry what she knew about the Trench Coat Mafia and in particular, Dylan Klebold and Eric Harris. Melissa Fry said she did not know who Dylan Klebold or Eric Harris was prior to the shooting on 04-20-99 at Columbine High School. Melissa Fry said she recalled seeing a Trench Coat Mafia student in the hallways at Columbine High School prior to the shooting some time ago. She described this Trench Coat Mafia student as a white male, tall, about 6'3" with brown hair, bad acne and said he wears a black baseball hat. Melissa Fry said this person was not Dylan Klebold or Eric Harris. Melissa also said that she has seen the Trench Coat Mafia students hanging around in the Commons area of the cafeteria at Columbine High School. Melissa said they stay to themselves and gather or hang out underneath the stairway at that location.

Melissa Fry said she is good friends with Michelle Shoels, who is Isaiah Shoels' brother. I asked Melissa if she had ever witnessed any of the Trench Coat Mafia students or anybody else at Columbine High School harass or racially intimidate Michelle or Isaiah Shoels. Melissa Fry told me that she had never seen anyone harass either of them, and in fact told me "everybody loved Isaiah."

Melissa Fry said she does not know of anybody who maybe manufacturing explosive devices and/or possessing or selling firearms. Melissa Fry also told me that she has not heard rumors of anyone manufacturing explosive devices and/or possessing or selling any firearms.

I asked Melissa Fry how her family and in particular she has been doing since the incident at Columbine High School on 04-20-99. Melissa Fry advised that she has been doing well, and said she had some small problems in the days after the incident, however, she now feels she is doing well as is her family. I gave Melissa Fry my business card and asked her to contact me if either herself or her family wanted to talk with a J.C.S.O. Victim Advocate in the future. I advised Melissa I would make the necessary arrangements for them at that time.

DISPOSITION: Case remains open, pending further investigation.

On 05-19-99, I spoke with Layne Gibson by telephone. This lead was to determine Layne's whereabouts during fifth period, as records reflect she has this period free. During my interview, Layne told me that she was out of the parking lot when the incident occurred and had went home. She said after eating lunch, she attempted to return to school and had ran into a crowd telling her that the school was closed, that there was a gunman inside. Layne told me that she believes she was one of the individuals that Brooks Brown had identified as seeing when he was walking away from the school. She said she did not see him leave and does not recall Brooks being outside. I asked Layne if she could provide any additional information that would be of assistance to this investigation, and she told me she could not.

Matthew Good
DOB: 06/06/83
8296 South Reed Street
Littleton, CO 80123
303-933-1692

Matt Good was interviewed at his residence with his parents present on May 12, 1999. [redacted] Matt is a sophomore at Columbine High School.

Matt said he usually leaves for school about 6:30 in the morning and would occasionally see Eric Harris leaving for school at that time. Matt knew who Dylan Klebold was because Dylan's black BMW was often at the Harris residence. Matt said, "Dylan was there a lot, he was there all the time." Matt said Dylan's car was normally there several times during the week, and all weekend. Matt said Dylan would always park his black BMW in the same place in the cul-du-sac. Dylan would pull through the cul-du-sac and park along the curb in a south facing direction. When asked if he thought Dylan spent the night, Matt said he didn't know. Matt said Eric Harris drove a gray Honda that was parked on the side of the Harris' driveway.

Matt said he never saw Brooks Brown or anybody else at the Harris' house. Matt he would see Dylan or Eric coming and going to and from there cars, but never saw them outside the house or in the garage. He said he never saw them carrying anything.

Matt's father, Mike Good, remembered last year, seeing a girl coming to the Harris' house. He described her as short, chubby, with short dark hair, dark clothes and glasses. He could not remember what type of car she was driving.

On Sunday, May 18, 1999, at about 2:00 p.m., Matt Good was working on a CD player in his car in his garage with his garage door open. He heard noises from the Harris' garage he described as "sawing wood with a circular saw, and glass breaking." He noticed the Harris' garage door was slightly up with a 3" gap at the bottom. As Matt Good was pulling his car out of the garage, at about 3:00 p.m., he saw the garage door at the Harris' was all the way open. Matt said he could see sawhorses with wood across them in the Harris' garage. He said there were no cars in the garage, and he did not see any people in the garage. Matt said Eric's and Dylan's cars were in their usual parking places. He did not see Eric's parent's cars.

Matt Good said he returned home at about 4:30 or 5:00 p.m. the same day, and saw Eric's car for sure, and thinks Dylan's car was also there.

Matt Good said that was the only day he heard any noises from the Harris' garage.

Matthew Good had 4th hour Spanish class at Columbine High School. After Spanish, he had the "A" lunch period. Matt and his friends were in the cafeteria after Spanish. Matt and his friends, John Losh, and Daane Reinking decided to go to Burger King off campus for lunch.

They walked out of the building through the main south entrance doors into the parking lot. He estimated it was sometime after 11:15 a.m. Matt said he heard the usual lunchtime noises: people talking and yelling. He said he heard some other sounds he thought were "construction noises". Matt did not report hearing any gunshots or explosions.

Matt said another student; Erica Schmidt was leaving the parking lot at the same time. They drove out of the parking lot past the main south entrance. Matt was in the back seat.

I showed Matt a sketch of the parking lot. He identified Reinking's parking space (# 375) in the junior lot. I showed him where the Harris car was parked and asked if he remembered seeing it. He said he didn't, but he identified the space to the west of the Harris car as that of E.R. Wolf (#373). He said Wolf's car is "big" and may have obstructed his view.

Matt and his friends returned to the school at about 11:40 a.m. and Pierce Street was blocked off by law enforcement. They turned onto Walker Street westbound. They saw Brooks Brown on Walker Street telling people to not go to the school. They didn't ask him why. They turned north on a north/south cross street and then turned eastbound on Polk Street. They saw Jake Apodaca, who told them someone at the school was shooting machine guns and had grenades.

After being advised as to the identity of the interviewing agent and the nature of the interview, Goodwin provided the following information:

On the day of the shooting, Goodwin stayed home most of the day because she was sick. However, Goodwin did come to school to attend her fourth period AP English class. Goodwin got out of AP English at approximately 11:10 am, and went directly to the cafeteria. Goodwin normally had lunch then, but decided to go back home. Goodwin walked through the cafeteria and went out one of the doors on the south side of the cafeteria. Goodwin did not see any large duffle bags while walking through the cafeteria. Goodwin then went to her car in the senior parking lot and drove home. Goodwin did not see Eric Harris or Dylan Klebold while she was leaving.

Goodwin had Eric Harris and Dylan Klebold in her fifth period psychology class, but did not know them well. Goodwin did not know any of the associates of Harris or Klebold.

Goodwin has heard that Jeff Marquardt left to go home for lunch and walked past Harris and Klebold as he was leaving.

INVESTIGATION:

n 05-17-99, at about 11:55 a.m., I interviewed CHS student Kristin Griffith as follow up on DN3609. The interview was conducted by telephone.

Kristin told me that on or about 05-06-99, while at school, fellow student Daniel Romero (9th) told her that fellow student Melissa Sowder (9th) had recently told him that she (Melissa):

1. Knew about the shootings two weeks before they happened
2. If he found out who was going to do it, she was going to join them
3. That all the students got what they deserved

Kristin said that Daniel was shocked and angry upon hearing this, and then asked Melissa if she would shoot him as well Kristin said that according to Daniel, Melissa told him, "I would if you were there."

Kristin said that after Daniel told her this, he said that he was on his way to speak with a school counselor about it. Kristin said that Daniel was extremely angry that Melissa had said this. Kristin said that both she and Daniel were deeply disturbed at the thought that someone may have had previous knowledge of the shootings, but didn't tell anyone. Kristin did not know if Daniel did, in fact, speak with a counselor.

Kristin said that the same day Daniel told her this, another student named Kathryn Thompson (9th) also told her that Melissa had made identical statements to her. Kristin said that she thought Daniel and Kathryn were both going to speak with a school counselor at the same time.

Kristin said that her sister, Veronica Griffith, mistakenly thought that Daniel had called her at home to tell her this. Kristin said that she did have a phone conversation during the evening on or around 05-06-99, but that it was not with Daniel Romero. Rather, Kristin said that she told Veronica and their mother that night, the same day she was told this by Daniel and Kathryn at school.

Kristin said that both she and her sister, Veronica, have known Melissa for several years. Kristin said that Veronica is actually better friends with Melissa than she is, but that Veronica and Melissa have grown apart over the years. Kristin said that Melissa hangs out with "weird" people, which she described as a "small, tight clique." Kristin said that Melissa has few friends that she knows of, and that Melissa is rumored among certain students to be a lesbian.

Kristin said that she is angry at the notion that Melissa and/or other students may have had prior knowledge of the Columbine shootings. Kristin does not know if it is true, but said that rumors to that effect have been circulating among the students since their return to school. Kristin does not know if Melissa is telling the truth, or simply making up this story. Either way, she considers it inexcusable. The interview was concluded at about 12:05 p.m.

INVESTIGATION:

On 05-26-99, I spoke with Leeann Groskopf. This lead was to determine her whereabouts during fifth period as records reflect she had this period free. During my interview with Groskopf, she told me she was away during the event on 04-20-99. She had gone to Safeway with one of her friends, Laura Myashiro, leaving the Junior parking lot in a small grey 80's vehicle. As they left the area, going south on Pierce, they did see Brooks Brown walking along Pierce at the bottom of the hill. Groskopf told me he seemed to be walking at a normal gait, and nothing seemed unusual. Groskopf said she had just left her fourth hour Science class and met her friends at her locker. They then walked to the commons area, and while there she did not see anything unusual. She was specifically asked if she saw a large duffle bag, to which she said no Groskopf left the commons area through the door next to the school store. While in the Junior parking lot, she did not see anything suspicious outside. She was asked if she saw anyone in trench coats, and she said she did not.

I asked Groskopf if there was anything else she could tell me that she may have heard since the incident. She told me there are lots of rumors that there was a third shooter or a third party involved in some way. I asked her if she had anyone I could speak to that says they had seen a third shooter, and she said she does not know anyone specifically

This was back in their freshman and sophomore years before Harris and Klebold "changed" and went to the trenchcoats. HARMON J.

The following is a transcription of an audio taped statement of Jennifer Harmon. The individuals conducting the interview are Detective David Shultz, 85007, of the Denver Police Department and Detective Wayne Bryant of the Arvada Police Department. This interview pertains to a shooting at Columbine High School in unincorporated Jefferson County.

****

BRYANT: I will jot down some stuff too, just so I'll...

SHULTZ: Okay.

BRYANT: ...know what she says. He'll...he probably won't share the tape with me.

SHULTZ: Nope. (LAUGH)

BRYANT: (LAUGH)

SHULTZ: This is Detective Dave Shultz with the Denver Police Department. I'm with Detective...

BRYANT: Wayne Bryant, Arvada Police Department.

SHULTZ: And we're with Jennifer Harmon. Uhm, Jennifer what's your date of birth please?

HARMON: It's, uh, twelve twenty of eighty.

SHULTZ: Okay...

HARMON: I mean...

SHULTZ: ...today...

HARMON: Twelve twenty-eight, I mean.

BRYANT: Yeah. That's what I was gonna ask you 'cause that's what you gave before.

HARMON: Yeah.

BRYANT: Twelve twenty-eight.

SHULTZ: Today is, uh, Friday, April twenty-third, nineteen ninety-nine and it's now approximately three twenty-seven p.m. We're at University Hospital, uh, in a conference room on the third floor, uh, and again, uh, we're interviewing Jennifer Harmon. This is a follow-up interview. Uh, Jennifer was interviewed, uhm, on the twentieth, uhm, in the afternoon at, uh, following the admission of Michael Taylor at University Hospital. Jennifer, I...when I ran into ya in the hall, uh, y-...back over here a few minutes ago, you said that you had some additional information.

HARMON: M-hum (sic).

SHULTZ: To share with us.

HARMON: M-huh.

SHULTZ: Wh-...what can you tell us?

HARMON: Uhm, I was telling you guys about that Pauline Colby (sic/sp) girl.

SHULTZ: M-huh.

HARMON: And when we were at the church yesterday I was, uhm, talking to Ms. Frommer (sic/sp) and, uh, and that's where my last class is suppose to be before I come an' take Marky (sic/sp) home.

SHULTZ: M-huh.

HARMON: And, uh, we had a banquet that day...a D.E.E.C.A. (sic/sp) banquet. And, uhm, I told Pauline that I would take her and then I told her that I wasn't gonna be able to take her because I was gonna go to class that day. She said okay and I asked Ms. Frommer if she would take her an' she said she would. And so I guess, uh, they

got back and when Pauline is in there, in that class from eleven ten till...eleven ten till about, between eleven fifty and twelve o' five 'cause she has both lunches off.

SHULTZ: M-huh.

HARMON: And so while I was at lunch they were, they were getting back at fourth hour and Ms. Frommer asked her, uhm, if she was gonna go change and she said she was gonna go change.

SHULTZ: M-huh.

HARMON: And she never came back. She just barely left and on the...when I was listening to her on the, on the news she said she didn't...that she had just went home sick and she told Ms. Frommer she was gonna go change and come back. And sh-...she never ever came back.

SHULTZ: Now, lemme see if I understand. Uhm, what time did she start her class?

HARMON: She suppose to be there between eleven ten and twelve fifty, or...oh, not twelve fifty...uhm, eleven fifty to twelve o' five. Somewhere between there she'd leave because she has both lunches off.

SHULTZ: Okay.

BRYANT: Now, this information you got from Ms. Schommer (sic)?

HARMON: Uh-huh.

BRYANT: Okay.

HARMON: (Unintelligible) Frommer.

BRYANT: Okay. From-...Frommer (sic)?

HARMON: Yeah. F-R-...

BRYANT: It's...

HARMON: ...O-M-M-E-R.

BRYANT: F-R-O-...

HARMON: M-M-E-R.

BRYANT: M-M-E-R. Lemme ask you a question about that, as far as the D.E.E.C.A. meetings.

HARMON: Uh-huh.

BRYANT: Uhm, is she normally attending the D.E.E.C.A. meetings?

HARMON: She's nev-...she never misses...

BRYANT: Okay.

HARMON: ...school store. Never, not once.

BRYANT: What...she never misses what?

HARMON: School store...nothing.

BRYANT: What do ya mean she's never missed a school store?

HARMON: School store, that's where she was suppose to be. That's where we get...that's where we, uhm, do our sales for lunches.

BRYANT: So she's been in D.E.E.C.A. for awhile, or...

HARMON: Yeah...

BRYANT: ...she...

HARMON: ...for...yeah, it's her junior year so she's been there all year long...

BRYANT: Okay.

HARMON: ...and she's never missed school store once, except for Tuesday.

BRYANT: Okay. S-...so since junior year she's never missed D.E.E.C.A.. Uh, how long have you been in D.E.E.C.A.?

HARMON: I've been in two years.

BRYANT: Two years.

HARMON: Since a junior, yeah.

BRYANT: The reason I'm asking, this all came up before after you left today what we're talking about...

SHULTZ: Okay.

BRYANT: ...it's...okay. Let, let me ask you then, did you see her at the Wellshire...is that where you were earlier?

HARMON: No, I didn't...that's where the D.E.E.C.A. meeting was and I didn't go...

BRYANT: You...

HARMON: ...because I...

BRYANT: ...missed it?

HARMON: Yeah, I missed it because I was, uhm, going, finishing my classes that day...

SHULTZ: Okay.

HARMON: ....and I asked Ms. Frommer the day before if she could take her and she said yes.

SHULTZ: Okay. Bu-...I'm sorry. I'm gonna take you through this. You went...you had four classes in the morning on Tuesday, right?

HARMON: Yep.

SHULTZ: And you went to all those classes?

HARMON: M-huh.

SHULTZ: And what time was the D.E.E.C.A.?

HARMON: It was...everyone was suppose to meet after first hour an', uh, Pauline was suppose to meet Ms. Frommer at, uhm, eight twenty in her room, like right after first hour.

SHULTZ: Okay.

HARMON: An'...

SHULTZ: To go to the luncheon?

HARMON: Yeah. And I didn't go to second hour because we were just gonna have a sub and so I just was jus' gonna miss it that day 'cause I was caught up on everything.

BRYANT: So you went to your classes instead of going to D.E.E.C.A.?

HARMON: Yeah. I went...

BRYANT: Now...

HARMON: ...to my classes except for Ms. Frommer's 'cause we had a sub that day.

BRYANT: Well, what time...uh, my understanding was D.E.E.C.A. was to start earlier. What time was it to start?

HARMON: Uh, it...the Wellshire...everyone was suppose to meet up at the school at, right after first hour. Everyone was suppose leave then. First hour gets out at eight twenty.

BRYANT: Okay. Yeah. That's...I'm sorry. That's what I understood it. Okay. First hour an' then at eight twenty. Did you...now, the other thing I wanted to ask you is how do you spell her last name on Pauline? How do you spell her last name?

HARMON: C-O-L-B-Y, I think.

BRYANT: C-O-L-B-Y, and it's like Colby?

HARMON: Yeah, Colby (unintelligible).

BRYANT: An' do you know how old she is, approximately?

HARMON: She is sixteen...uh, I think sixteen or seventeen.

BRYANT: Can you describe what she looks like?

HARMON: She is kinda chubby. She's got a chubby face. She's got long black hair, thin eyebrows. She was on the news with her older sister. She's, uhm...her older sister's a senior. Uhm, Pauline's a junior. She's kinda chubby.

BRYANT: Okay. Now, do you know when she left school...

HARMON: I didn't...

BRYANT: ...and...

HARMON: ...see...

BRYANT: ...how...

HARMON: ...her.

BRYANT: ...did she leave school?

HARMON: She doesn't have a...she doesn't drive.

BRYANT: Does she have a cellphone?

HARMON: No, I don't think so...no. Nuh-uh. She said she checked out at the clinic 'cause that's the only way you can check out 'cause you have to go have your parents sign you out, or you can forge it yourself.

BRYANT: What was...what, what time did you see her that day?

HARMON: I didn't, didn't see her...

BRYANT: You...

HARMON: ...'cause...

BRYANT: ...didn't...

HARMON: ...I was...

BRYANT: ...see her...

HARMON: ...I, I was at school, but I was watching the news when she said that she called her dad to come get her...she went home sick 'cause she was lucky.

BRYANT: 'Kay. So she said she called her dad to come get her?

HARMON: M-huh.

BRYANT: This is what you saw on T-V?

HARMON: Yeah, that she...

BRYANT: Alright.

HARMON: ...was sick...with her sister.

BRYANT: An' tha-...and that's the reason she wasn't in school that day?

HARMON: M-huh.

BRYANT: And is that, that...does it normally happen that way then?

HARMON: Muh-uh. She will, she's got a...they (sic) or the parents has to gotta come into the school, physically, and sign 'em out.

SHULTZ: M'kay.

HARMON: And the...th-...they know if it's a forgery or not I guess because like, uh, students can forge themselves an' say they were sick or not.

BRYANT: Lemme ask you, did you s-...do you know her father if you saw him?

HARMON: Huh-uh. I mean, you can...I'd be able to tell if they were related because all their whole family...

BRYANT: But you...

HARMON: ...looks alike.

BRYANT: ...think you didn't see that day?

HARMON: Muh-uh.

BRYANT: Okay. Do you think this enough stuff about...

SHULTZ: Well...

BRYANT: ...(unintelligible).

SHULTZ: ...l-...lemme, lemme ask...let me go back over this first.

HARMON: An'...oh, yeah. An' I forgot to tell you guys that the other day...'cause I was talking to Pauline in class 'cause I come in right after she does and I always bring up her lunches and stuff for her an' I was like...I was looking in the yearbook all like over the weekend and I was all you were in Trench Coat Mafia and she was all yeah. And I was all oh, well, uhm, ya know, how did...was there a specific way you had to get into it. And she said no, it's just for people that are outcasts. An' I was oh. I was like so did you have to get out anyway. She's all no, they jus' started saying really weird things to me and started scaring me. An' I was all oh, well, what kind of stuff and she's all I, I really don't wanna talk about it. An' I was all oh, I...she's all, uhm, she's all but someday, someday they're gonna...they're gonna try to get back at somebody. Then there's this other kid Nate (sic/sp) that I know he was in my class with Dylan and Eric. And when John and I were

pulling up to the detour, Nate was behind me in his white truck that says N-I-N on his window, too.

SHULTZ: Uh-huh.

HARMON: And he listens to the same stuff as Eric an' them, and he talks to Dylan and Eric all the time in class. They're like really good friends. And when, uh, Mister Camper (sic), Marky's teacher ran up to mine, uh, car and Mister Ortiz' ran up, uh, they told us to get as many people in our cars as we could. We got 'em in and we're leaving and Nate turns around, he goes I can't believe they actually did this. Like, like he knew...like that he couldn't believe that they did it that day. Like he, like he if he knew something...he had known something.

SHULTZ: M'kay. I'm gonna take you back 'cause you told us a lot of facts. Uhm, y-...you learned from Ms. Frommer everything about what Pauline said and did...

HARMON: Well...

SHULTZ: ...that...

HARMON: ...about that day, yeah.

SHULTZ: That she met Pauline at eight twenty, took her to the Wellshire, brought her back...

HARMON: M-huh.

SHULTZ: ...and what did Ms. Frommer tell you happened when she came back from the Wellshire?

HARMON: When they came back? She said that she asked Pauline what she was doing an' she answered she was gonna go change. She said yes and then they were in the...they were in the school store and, uhm...

SHULTZ: Who was in the school store?

HARMON: Ms. Frommer and, uhm...oh, what's his name...uhm, what's the other kid's name...I can't think of his name right now...Louis Gillepie (sic/sp).

SHULTZ: Louis Gillepie?

HARMON: Louis Gillepie, Lindsey, something...

(THE RECORD SHOULD REFLECT BACKGROUND NOISE)

HARMON: ...(unintelligible)...

SHULTZ: M-huh. Okay.

HARMON: And Louis, uhm, he ra-...ran and was hiding in the marketing room, in the marketing, uhm, business section where the...

(THE RECORD SHOULD REFLECT BACKGROUND NOISE)

HARMON: ...(unintelligible) office or somethin'. And Ms. Frommer was hiding...they heard gunshots and they thought it was just, uh, like a...uh, they thought it was just something popping. They didn't know what it was 'cause it was...

SHULTZ: M-huh.

HARMON: ...sound like fireworks or something an'.

BRYANT: Do you know where she was hiding?

HARMON: She was hiding in her office.

SHULTZ: That was Frommer?

HARMON: M-huh.

SHULTZ: Okay. Let me take you back though. Uhm, from what you understand, Pauline was with Frommer and Louis Gillepie in the store?

HARMON: Ew (sic), uhm...

SHULTZ: Do I understand that?

HARMON: (NON-VERBAL RESPONSE)

SHULTZ: Okay. An', and what do you understand happened before the shots rang out?

HARMON: Pauline told her that, uh, she was gonna go and changed and she just left. She never came back. Never came back. An' it's obviously she would know something if she didn't come back.

SHULTZ: Okay.

BRYANT: An' what classes does Ms. Frommer teach?

HARMON: She's our business, marketing.

BRYANT: Business marketing.

HARMON: Huh-uh.

BRYANT: Okay. You know her first name?

HARMON: Cathy (sic/sp). And I know her work number, like...

BRYANT: What is her work number?

HARMON: Uh, at the school it's nine eight two four four nine two.

BRYANT: Okay.

HARMON: That's her voice mail number an' she can check it from anywhere.

BRYANT: Okay. So, Pauline said she was gonna go an' change, but she...Ms. Frommer said she never, just never...

HARMON: She never...

BRYANT: ...came...

HARMON: ...came back.

BRYANT: Okay.

HARMON: (Unintelligible)...

SHULTZ: And then you...

HARMON: (Unintelligible)...

SHULTZ: And at that time...

HARMON: It connected with me when I saw on the news...

BRYANT: You saw...

HARMON: ...that morning.

BRYANT: ...right.

HARMON: That morning when she was sitting on a truck bed with her sister and some other girl.

BRYANT: This has been discussed.

SHULTZ: Okay. Uh, when do you understand that she came back with Ms. Frommer, at what time approximately?

HARMON: Well, i-...it's fourth hour some time, so it had to be in-between...anywhere between ten twenty and, oh...fourth hour starts at eleven (sic) twenty, ends at eleven ten, so anywhere between there they coulda came...

SHULTZ: Ten...

HARMON: ...back.

SHULTZ: ...twenty and eleven ten?

HARMON: Yeah. That's when cla-...when...it's when fourth class is...

SHULTZ: Okay.

HARMON: ...it was somewhere between there.

SHULTZ: And you weren't scheduled...you were scheduled to go on break at eleven fifteen for lunch an'...

HARMON: Come back...

SHULTZ: ...come back at eleven...

HARMON: ...twelve...

SHULTZ: ...thirty (sic).

HARMON: ...o' five. Between eleven fifty and twelve o' five.

SHULTZ: Okay.

HARMON: That's when we open the gates and start selling at twelve o' five.

SHULTZ: Okay. Okay.

BRYANT: Okay.

SHULTZ: Did, uhm...okay. So, we discussed Pauline. Let me ask you this. In, in your conversations with Pauline, before this happened...and I, I know you didn't see her that day...

HARMON: M-huh.

SHULTZ: ...but before this happened, did she give you any information?

HARMON: She just said that she knew that someday they're gonna get back at her. I knew she was scared that they were c-...gonna come after her because she'd got out.

SHULTZ: M-huh.

HARMON: And since she didn't talk to them anymore.

SHULTZ: Okay.

BRYANT: Okay. I'd misunderstand maybe...are they gonna come back after her or...

HARMON: Well...

BRYANT: ...some-...

HARMON: ...after they...she just knew that they were gonna come...like they're gonna...like, like...what's the word...they're gonna come an' like get back at people and she was afraid she was gonna be one of the people that...

BRYANT: Because she got out?

HARMON: Yeah, because she, because she knew all this information. And I think I heard her say that she knew about how...that she knew that they had this like kinda power that they were available (unintelligible), but she never thought they would do it. Sumpin' (sic) like that.

SHULTZ: Okay. Did she ever talk about what these guys told her?

HARMON: Uhm, I think she...she pretty much...she wouldn't go into detail about nothing.

SHULTZ: 'Kay. What did she tell ya?

HARMON: She just said that, that someday they were gonna get back at somebody, uh, or like people.

SHULTZ: M-huh.

HARMON: And that she was afraid that she was gonna be one of the people.

BRYANT: Do you know the names of people she was talking about? As far as getting...

HARMON: Well, I...

BRYANT: ...back...

HARMON: ...I would think Pat, Pat McDuffy (sic/sp) but I dunno. Pat, Pat McDuffy, is that his name? Yeah.

BRYANT: Now, is he a...is he's gonna be the one that's, that's hurt or he's gonna be hurting people...Pat McDuffy?

HARMON: Uh, he used to be friends with them so I don't think that he would do that 'cause...

BRYANT: Okay...

HARMON: ...no one really knew that...

BRYANT: Well...

HARMON: ...they...

BRYANT: ...I'm...

HARMON: ...were...

BRYANT: ...just...

HARMON: ...capable.

BRYANT: ...trying to si-...understand what you're saying. I'm tryin' to understand. Are you saying that Pat McDuffy would be one of the people coming back to get people...

HARMON: No.

BRYANT: ...or he would be the victim?

HARMON: Uh, the...e-...everyone who got out of it would be a victim.

BRYANT: Okay. He, he got out of it then...

HARMON: Yeah...

BRYANT: ...that's...

HARMON: ...he did...

BRYANT: ...what...

HARMON: ...get...

BRYANT: ...you're...

HARMON: ...out of...

BRYANT: ...saying?

HARMON: ...it, yeah.

BRYANT: Okay. I know this is a lot of information you're giving us and we just wanna make sure...

SHULTZ: Yeah.

BRYANT: ...we're understanding exactly...

HARMON: Yeah.

BRYANT: ...what you're saying.

SHULTZ: Lemme...I, I gotta ask you this. Uhm, are you frightened of these guys?

HARMON: Ohh (sic)...

SHULTZ: I need you to be honest.

HARMON: I wasn't re-...I wasn't really before, ya know...

SHULTZ: M-huh.

HARMON: ...I never ever had a problem with these kids. Never did. 'Cause I always talked to them...they were really nice to me. But I think that now...

SHULTZ: M-huh.

HARMON: ...definitely...yeah. Just because they're so quiet an' they keep their lives (sic) all sep-...

SHULTZ: Okay.

HARMON: ...separate.

SHULTZ: And, and I need to ask you this question. I-...would you withhold any inf-...any information from us at all ...

HARMON: Muh-uh.

SHULTZ: ...because you were afraid of these guys?

HARMON: No, I wouldn't. I would rather see them go away and pay for what they've done. I would...

BRYANT: So...

HARMON: ...do anything...

BRYANT: ...anything you knew you would tell us then?

HARMON: Yeah, I would...

SHULTZ: Okay.

HARMON: ...definitely.

SHULTZ: That's really important that if there's anything. An', an' I know we went over this the other day and you've got some new information, but again...and I, and I'd mentioned it the other day...any information that you have. And we'll go through some of the other stuff you told...

HARMON: Uh-huh.

SHULTZ: ...today, uhm, but it so important that...even if it seemed trivial or, ya know, third or fourth hand, then we'll try to track it back. Or if you're frightened, if there's, ya know...if there's, uh, uh, any concern on your part where you think they might try to come after you we'll, we'll do what we can to protect you. If that's a concern tell us, okay...

HARMON: Yeah (sic).

SHULTZ: ...if...'cause we're here to get information, but we're also...we'll try to help you if we can...

JC-001-006500

HARMON: Alright.

SHULTZ: ...okay? What...going back to, uh...and you, you said a lot of stuff and the one that sticks out in my mind is when
